Time	Topic	Presenter	Notes
3:30 – 4:00 PM	Registration		
4:00 – 4:15 PM	Welcome from 1Spatial	Andrej Mocicka <i>1Spatial Australia</i> Don Murry <i>Safe Software</i>	Let's begin with a warm welcome to our team and our special guests, along with some important housekeeping details for the day.
4:15 – 5:15 PM	What's new in FME 2024	<i>1Spatial Australia</i>	Introducing FME 2024.0! Join us to discover the latest features designed to enhance your operational efficiency, speed, and security. Highlights include Remote Engine Service Support for Automation, Multi-Transformer Upgrade, FME Form Canvas Enhancement, Enhanced AI Assist, Faster 3D Data Inspection, and more exciting enhancements!
5:15 - 5:45 PM	GDV Hub	<i>Digital Hive/ 1Spatial</i>	Join us to explore GDV (Geospatial Data Validation) Hub, a self-service kiosk streamlining data validation for accuracy and completeness. Software and data standard agnostic, it's adaptable to your specifications.
5:45 – 6:45 PM	1Spatial Solutions	Charley Glynn Product Manager <i>1Spatial UK</i>	This presentation will highlight the comprehensive set of Location Master Data Management software components within our 1Spatial Platform. Our platform integrates servers, portals, dashboards, SDKs, APIs, data connectors, business-focused applications, and our patented 1Integrate rules engine. We'll showcase a live demonstration of the 1Capture Android app tablet, emphasizing its practical application. Additionally, we'll delve into the functionalities of 1Integrate and 1Data Gateway, essential tools for seamless data integration. Our discussion will also touch upon PAI, focusing on its significance for customers in WA DPLH. We'll introduce our UN Readiness App, designed to support utility network migration, particularly relevant to the experience with Hunter Water. Furthermore, we'll explore the role of AI in leak detection with 1Leakage and optimising operations with 1Streetworks, designed to create compliant traffic management plans in just 2 minutes. Lastly, I'll discuss NUAR - The National Underground Asset Register, providing insights into its implementation and implications.
6:45 – 7:00 PM	Interactive Wrap-Up Q & A + Prizes	Andrej Mocicka <i>1Spatial</i>	Gotta a question you would like to ask our technical staff? Well now is the time. Practice what you learned today in this interactive wrap-up demo, with lots of chances to win prizes!
