Time	Topic	Presenter	Notes
8:30 -9:00 AM	Registration		
9:00 – 9:15 AM	Induction from 1Spatial	<p>Andrej Mocicka <i>1Spatial Australia</i></p> <p>Don Murry <i>Safe Software</i></p>	Let's begin with a warm welcome to our team and our special guest, along with some important housekeeping details for the day
9:15 – 10:00 PM	Morning Tea – Networking session	<i>All attendees</i>	Audience members will engage in topical group workshops and network with peers—both familiar faces and new connections. Join us to collaborate on addressing your latest data challenges in a supportive environment.
10:00 – 11:00 AM	What's new in FME 2024	<i>1Spatial Australia</i>	Introducing FME 2024.0! Join us to discover the latest features designed to enhance your operational efficiency, speed, and security. Highlights include Remote Engine Service Support for Automation, Multi-Transformer Upgrade, FME Form Canvas Enhancement, Enhanced AI Assist, Faster 3D Data Inspection, and more exciting enhancements!
11:00 – 11:30 AM	The Power of Place: How trusted national data unlocks a smarter, more productive Australia	<p>Shaun Bennett <i>Geoscape</i></p>	<p>Today, data is plentiful and there's a growing need for its use in decision-making and policy development. There's never been a more important time for data to be accessible, reliable, and robust.</p> <p>Join us as we discuss how trusted national data is transforming the Australian landscape. In this presentation, we will take a look on a practical level at some of the spatial data solutions that improve government efficiency, boost business productivity, and enhance the daily lives of Australians.</p> <p>With reliable data, we can address major national issues such as climate risk and insurance costs, helping to build a smarter and more productive Australia</p>
11:30 – 12:30 PM	1Spatial Solutions	<p>Charley Glynn – Product manager <i>1Spatial UK</i></p>	This presentation will highlight the comprehensive set of Location Master Data Management software components within our 1Spatial Platform. Our platform integrates servers, portals, dashboards, SDKs, APIs, data connectors, business-focused applications, and our patented 1Integrate rules

			<p>engine. We'll showcase a live demonstration of the 1Capture Android app tablet, emphasizing its practical application. Additionally, we'll delve into the functionalities of 1Integrate and 1Data Gateway, essential tools for seamless data integration. Our discussion will also touch upon PAI, focusing on its significance for customers in WA DPLH. We'll introduce our UN Readiness App, designed to support utility network migration, particularly relevant to the experience with Hunter Water. Furthermore, we'll explore the role of AI in leak detection with 1Leakage and optimising operations with 1Streetworks, designed to create compliant traffic management plans in just 2 minutes. Lastly, I'll discuss NUAR - The National Underground Asset Register, providing insights into its implementation and implications.</p>
12:30 – 1:30 PM	Lunch		
1:30 – 2:00 PM	UN Migration Case Study	Sam De Lore <i>Hunter Water</i>	Learn how Hunter Water, embarked on a GIS Transformation Project to enhance its geospatial capabilities. Partnering with 1Spatial, they aimed to migrate their existing GIS data to the ArcGIS Utility Network (UN) and leverage the latest digital technologies for better visualisation and analysis of their networks and assets.
2:00 – 2:30 PM	GDV Hub	<i>Digital Hive/ 1Spatial</i>	Join us to explore GDV (Geospatial Data Validation) Hub, a self-service kiosk streamlining data validation for accuracy and completeness. Software and data standard agnostic, it's adaptable to your specifications.
2:30 – 3:00 PM	Navigating Workspace Tidying: The Significance of Governance and Knowledge	Scott Ferrari <i>Permuto Pty Ltd</i>	In this guide, we delve into the essential aspects of tidying up workspaces, emphasising the critical role of governance and knowledge. Using a real-life scenario of an overcrowded workspace with over 800 transformers, we explore why maintaining organisation and clarity is paramount for efficiency and success in any workspace.
3:00 – 3:30 PM	Afternoon tea		
3:30 – 4:00 PM	Customer Presentation	TBA	Gain valuable insights from our customer presentations and learn firsthand from their experiences.
4:00 – 4:30 PM	Interactive Wrap-Up Q & A + Prizes	Andrej Mocicka <i>1Spatial</i>	Gotta a question you would like to ask our technical staff? Well now is the time. Practice what you learned today in this interactive wrap-up demo, with lots of chances to win prizes!
4:30 - 5:30 PM	Network Drinks	<i>Everyone Welcome</i>	Stick around for a great afternoon of networking with like-minded people while enjoying a few drinks.
