Section 4.4  **Non-Contravention.** Neither the execution and delivery of the Transaction Documents nor the consummation of the transactions contemplated thereby will violate any provision of any organizational documents of the Buyer.

Section 4.5  **Investment Intent.** Buyer is acquiring the Seller Shares, and, if applicable, the Option Shares, for its own account and not with a view to any resale or distribution within the meaning of Section 2(11) of the Securities Act and the rules and regulations promulgated thereunder. Buyer understands that the Seller Shares, and, if applicable, the Option Shares have not been registered under the Securities Act and were issued by reason of a specific exemption from the registration provisions of the Securities Act. Buyer understands that the Seller Shares, and, if applicable, the Option Shares may be “restricted securities” under applicable U.S. federal and state securities laws and that, pursuant to these laws, Buyer may be required to hold the Seller Shares, and, if applicable, the Option Shares, unless they are registered with the Securities and Exchange Commission and qualified by state authorities, or an exemption from such registration and qualification requirements is available. Buyer further acknowledges that if an exemption from registration or qualification is available, it may be conditioned on various requirements including the time and manner of sale, the holding period for the Seller Shares, and, if applicable, the Option Shares or on requirements relating to the Seller Shares, and, if applicable, the Option Shares which may be outside the Shareholders’ or Buyer’s control.

Section 4.6  **Title to Shares Consideration.** If elected by the Buyer pursuant to Section 2.4(b) of the Option Agreement, the Consideration Shares shall be free and clear of any Liens other than restrictions imposed by applicable securities laws and Liens resulting from acts, events or circumstances solely within the control of Optionor, and the delivery to Optionor of the certificates evidencing the Consideration Shares will convey to Optionor, good and marketable title (beneficially and of record) to all of the Consideration Shares.

**ARTICLE V  – COVENANTS**

Section 5.1  **Covenant Not to Compete; Covenant Not to Solicit.** For and in consideration of the Purchase Price paid to the Seller at the Closing, the Seller covenants and agrees, for a period of four (4) years from and after the Effective Date, that he will not, directly or indirectly, without the prior written consent of Buyer, for or on behalf of any Person other than Buyer or its Affiliates:

(a) Manage, control, participate in, consult with, render services for, become interested or engaged, directly or indirectly, as a shareholder, bondholder, creditor, or Representative, or in any manner associated with, or give financial, technical or other assistance to, any Person, firm or corporation that engages in or competes with the Company Business in the U.S.; provided, however, that no owner of less than one percent (1%) of the outstanding stock of any publicly traded corporation shall be deemed to be in a violation of this Section 5.1 solely by reason thereof (so long as Seller has no active participation in the business of such corporation).

(b) (i) Solicit or induce, or attempt to solicit or induce any employee, independent contractor or consultant of the Company to terminate such Person’s relationship with the Company, or in any way interfere with the relationship between the Company and any
employee, independent contractor or consultant thereof, except as a result of a general solicitation in news media of general circulation; (ii) induce or attempt to induce any customer, supplier, vendor, service provider, employee, licensee, licensor, lessor, franchisee or other business relation of the Company or the Company Business to cease doing business with the Company; or (iii) in any way interfere with the relationship between any such customer, supplier, vendor, service provider, employee, licensee, licensor, lessor, franchisee or other business relation and the Company (including making any negative statements or communications about Buyer, the Company or the Company Business).

(c) Seller acknowledges that the covenants contained in Section 5.1 hereof are of a special, unique, unusual and extraordinary character, which give them peculiar value, the loss of which cannot be reasonably or adequately compensated in an action at law, and that, in the event there is a breach thereof by Seller, Buyer will suffer irreparable harm, the amount of which will be impossible to ascertain and Buyer shall be entitled to specific performance as set forth in Section 8.9. If Buyer is obliged to resort to the courts for the enforcement of any of the covenants contained in this Section 5.1, each such covenant shall be extended for a period of time equal to the period of such breach, if any, which extension shall commence on the later of (i) the date on which the original (unextended) term of such covenant is scheduled to terminate or (ii) the date of the final court order (without further right of appeal) enforcing such covenant.

(d) If the final judgment of a court of competent jurisdiction declares that any term or provision of this Section 5.1 is invalid or unenforceable, the Parties agree that the court making the determination of invalidity or unenforceability shall have the power to reduce the scope, duration, or area of the term or provision, to delete specific words or phrases, or to replace any invalid or unenforceable term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this Agreement shall be enforceable as so modified after the expiration of the time within which the judgment may be appealed.

(e) Seller expressly acknowledges and agrees that (i) each and every restriction contained in this Section 5.1 is reasonable in all respects (including with respect to subject matter, time period and geographical area) and such restrictions are necessary to protect Buyer’s interest in, and value of, the Company (including the goodwill inherent therein); (ii) Seller is primarily responsible for the creation of such value; and (iii) Buyer would not have entered into this Agreement and consummated the Transaction without the restrictions contained in this Section 5.1.

Section 5.2 Acquisition Proposals. Prior to 31 October 2016, the Company shall not, nor shall it permit or cause any of its Affiliates, or any officer, director, employee, investment banker or other Representative of the Company to, directly or indirectly, (i) solicit, initiate, or knowingly encourage the submission of any Acquisition Proposal; (ii) enter into any agreement with respect to, otherwise approve or recommend, or consummate, any Acquisition Proposal; or (iii) participate in any discussions or negotiations regarding or furnish to any Person any information for the purpose of facilitating the making of, or take any other action for the purpose of facilitating any inquiries or the making of, any proposal that constitutes or would reasonably be expected to lead to, any Acquisition Proposal. The Company shall notify Buyer in writing promptly (but in any case within one (1) Business Day) after receipt by it of any Acquisition
Proposal or any request for information in connection with an Acquisition Proposal or for access to any of the properties, books or records or other Assets of the Company by any Person that informs the Company that it is considering making, or has made, an Acquisition Proposal (such notice shall provide all details of such Acquisition Proposal or request, including the identity of the Person making such proposal).

Section 5.3 Takeover Statutes. If any Takeover Statute is or may become applicable to the transactions contemplated hereby or the Option Agreement, the Company’s board of directors will grant such approvals and take such actions as are necessary so that the transactions contemplated hereby and the Option Agreement may be consummated as promptly as practicable on the terms contemplated hereby and thereby and otherwise act to eliminate the effects of any Takeover Statute on any of the transactions contemplated hereby and thereby.

Section 5.4 Transfer Taxes. All transfer, documentary, sales, use, stamp, registration and other such Taxes, and all conveyance fees, recording charges and other fees and charges (including any penalties and interest) incurred in connection with this Agreement or the consummation of the transactions contemplated by this Agreement shall be paid by the Seller when due, and Seller shall, at Seller’s own expense, file all necessary Tax Returns and other documentation with respect to all such Taxes, fees and charges.

Section 5.5 Short Year Tax Returns.

(a) Buyer shall prepare or cause to be prepared and file or cause to be filed all Tax Returns for the Company for all periods ending on or prior to the Closing Date that are filed after the Closing Date, including a Tax Return (the “Stub Period Tax Return”) for the Company for the period beginning on 1 January 2015 and ending on the Effective Date (the “Stub Period”). All items of income, gain, loss, deduction, or credit of the Company with respect to the Stub Period shall be determined in accordance with Section 1.1362-3(b)(1) of the Treasury Regulations and all Parties hereto agree to cooperate in the timely filing of the necessary election pursuant to Section 1.1362-3(b)(1) of the Treasury Regulations and Section 1.1362-6 of the Treasury Regulations.

(b) Buyer shall prepare or cause to be prepared and file or cause to be filed all Tax Returns for the Company, for all periods ending after the Closing Date that are filed after the Closing Date.

(c) Buyer shall deliver the Tax Returns described in Section 5.5(a) to the Seller for review at least forty (40) days before the date on which such Tax Returns are required to be filed. Failure of the Seller to object to such Tax Returns by a writing received by Buyer within thirty (30) days of such delivery shall constitute consent thereto by the Seller. Buyer and Seller shall undertake in good faith to resolve any issues raised in any such written objection prior to the due date (including any extension thereof) for filing such Tax Returns and mutually consent to the filing of such Tax Returns, in which case the information and total amount of Taxes shown to be due on such agreed Tax Returns shall be final and binding on the Parties absent manifest error. If Buyer and Seller are unable to resolve any dispute concerning such Tax Returns by the earlier of (A) seven (7) days after the date of Buyer’s receipt of written notice from the Seller setting forth the Seller’s proposed resolution of such dispute or (B) seven (7)
days prior to the due date for filing of such Tax Returns in question (including any extension thereof), Buyer and Seller shall submit all such disputes to an independent accountant mutually acceptable to them for resolution. In any case where a disputed item has not been resolved, either by mutual agreement of Buyer or Seller or by a determination of the independent accountant, prior to the due date (including any extension thereof) for filing such Tax Returns, then Company may resolve such item as Company shall determine in its sole discretion and cause such Tax Returns to be filed on the due date (including any extension thereof) for filing such Tax Returns without the consent of the Seller. Notwithstanding the filing of such Tax Returns, (A) the independent accountant shall make a determination with respect to any such disputed item; and (B) the amounts due with respect to such Tax Returns (including items on a K-1) shall be determined after giving effect to the independent accountant’s determination and the Company shall file such amended Tax Returns as are necessary to reflect such determination. All costs and expenses associated with or charged by the independent accountant shall be borne fifty percent (50%) by Buyer and fifty percent (50%) by Seller.

Section 5.6 Company Distributions to Seller and Optionor.

(a) If, and only if, the Company’s Net Assets exceed one million three hundred thousand dollars ($1,300,000) on the Closing Date (as reflected on the Company’s financial statements as of the Closing Date and as agreed by the Buyer and the Shareholders), the Company shall, as soon as reasonably practicable, declare and pay to the Seller an amount equal the Seller’s Portion of the Distribution Amount. All of the Parties agree that any such amount shall be characterized as a purchase price adjustment and all of the Parties agree to report consistently with such characterization.

(b) If, and only if, the Company’s Net Assets exceed one million three hundred thousand dollars ($1,300,000) on the Closing Date (as reflected on the Company’s financial statements as of the Closing Date and as agreed by the Buyer and the Shareholders), the Company shall, as soon as reasonably practicable, but no later than the post-termination transition period (as such term is defined in Section 1377(b)(1) of the Code), declare and pay to the Optionor an amount equal the Optionor’s Portion of the Distribution Amount. It is the intention of the Parties that such distribution will be (i) applied against and reduce Optionor’s adjusted basis in Equity Interests and such amounts shall not exceed her accumulated adjustments account (within the meaning of Section 1368(e) of the Code) and (ii) made in the post-termination transition period (as such term is defined in Section 1377(b)(1) of the Code).

(c) Except as provided in Section 5.6(b), the Optionor acknowledges and agrees that, after the Effective Date, she is not entitled to any distribution or dividend declared and paid by the Company, if any, of any cash, any shares of capital stock of the Company, or any other consideration.

Section 5.7 Cooperation on Tax Matters. After the Closing Date, the Parties shall each cooperate, and Buyer shall cause the Company to cooperate, as reasonably requested by any other Party, in connection with the filing of Tax Returns and any audit, litigation or other proceeding with respect to Taxes. Buyer and Optionor shall retain, and shall cause the Company to retain, and to provide to Seller upon request, records and information reasonably relevant to such audit, litigation or other proceeding, and to make Employees available to Seller on a
mutually convenient basis to explain such records or provide additional information. Buyer and Optionor shall cause the Company to retain all books and records with respect to Tax matters for any period beginning prior to the Closing Date until the expiration, as extended, of all applicable statutes of limitation and to give reasonable advance notice to Seller prior to destroying, transferring or discarding any such books and records, provided that Buyer and Optionor shall cause the Company to transfer to Seller possession of such books and records proposed to be destroyed, transferred or discarded if Seller so requests. Each of the Parties, upon request of another Party, shall use reasonable efforts to obtain from any Person any document that is necessary to mitigate, reduce or eliminate any Tax on the Company or on any Party, including as a result of the transactions described in this Agreement.

Section 5.8 Tax Proceedings. This Section 5.8 shall apply to any third party claim relating to Tax Proceedings (as defined below). After the Closing Date, Buyer shall promptly notify the Seller in writing of the proposed assessment or the commencement of any Tax audit or administrative or judicial proceeding or of any demand or claim which, if determined adversely to the taxpayer or after the lapse of time, could be grounds for payment of indemnification for Taxes by the Seller under this Agreement (a “Tax Proceeding”), provided, however, that the failure to give such notice shall not affect the indemnification provided hereunder except to the extent the Seller have been actually prejudiced as a result of such failure. Such notice shall contain factual information describing the asserted Tax Liability in reasonable detail and shall include copies of any notice or other document received from any Governmental Authority in respect of any such asserted Tax Liability. Buyer shall have the right to control the conduct of such Tax Proceeding, provided that (i) Buyer shall keep Seller informed on a timely basis with respect to any developments relating to such Tax Proceedings (including the delivery of copies of any correspondence with the applicable Governmental Authority) and shall timely provide Seller with any other materials relating to such Tax Proceedings that are reasonably requested by Seller, and (ii) Buyer shall consider in good faith any comments provided by Seller with respect to any Tax Proceeding.

Section 5.9 No Code Section 336(e) Election. Neither the Company nor the Shareholders shall make an election under Section 336(e) of the Code with respect to the transactions contemplated by this Agreement.

Section 5.10 Directors’ and Officers’ Indemnification. The Company shall, at its own expense, within sixty (60) days of the Closing Date, purchase a directors’ and officers’ liability insurance policy with coverage, deductibles, and amount terms customary and reasonable for the Company Business.

ARTICLE VII – INDEMNIFICATION

Section 7.1 Indemnification.

(a) Indemnification of Buyer.

(i) From and after Closing, subject to the limitations as provided in Section 7.4, Seller shall indemnify and hold harmless Buyer and its Affiliates, shareholders, partners, officers, directors, employees, agents, Representatives, successors and permitted assigns (collectively, the “Buyer Indemnified Parties”) from and against any and all damages, losses, claims, Liabilities, demands, charges, suits, Taxes, penalties, costs and expenses whether or not arising out of third party claims (including interest, court costs and reasonable attorneys’ fees and expenses incurred in investigating and preparing for any litigation or proceeding in connection with any of the foregoing) (collectively, the “Indemnifiable Costs”), which any of the Buyer Indemnified Parties may sustain, or to which any of the Buyer Indemnified Parties may be subjected, arising out of upon, attributable to, in connection with or resulting from (A) the breach or inaccuracy of any representation or warranty of Seller set forth in Section 3.1 and Section 3.2 hereof, or (B) the breach of any covenant or other agreement on the part of such Seller pursuant to Section 5.1 hereof.

(ii) From and after Closing until the First Payment Date, the Shareholders shall indemnify and hold harmless the Buyer Indemnified Parties from and against any and all Indemnifiable Costs which any of the Buyer Indemnified Parties may sustain, or to which any of the Buyer Indemnified Parties may be subjected, arising out of upon, attributable to, in connection with or resulting from (A) the breach or inaccuracy of any representation or warranty of the Shareholders or the Company; (B) the breach of any covenant or other agreement on the part of the Shareholders or the Company in the Transaction Documents (other than covenants or agreements of the Company to be performed after the Closing Date and other than covenants to be performed by Seller pursuant to Section 5.1 hereof (in which case, Seller shall be subject to the indemnification obligations in Section 7.1(a)(i)); and (C) all Taxes (or the non-payment thereof) of the Company for all taxable periods ending on or before the Closing Date and the portion through the end of the Closing Date for any taxable period that includes (but does not end on) the Closing Date, and any and all taxable period that includes (but does not end on) the Closing Date, and any and all Taxes of any Person (other than the Company) imposed on the Company as a transferee or successor, by Contract or pursuant to any Law, rule, or regulation, which Taxes relate to an event or transaction occurring before the Closing Date.

(b) Indemnification of Shareholders. From and after Closing until the First Payment Date, subject to the limitations as provided in Section 7.4, Buyer agrees to indemnify and hold harmless the Shareholders and their respective Affiliates, agents, Representatives, successors and permitted assigns (collectively, the “Shareholder Indemnified Parties” and together with the Buyer Indemnified Parties, the “Indemnified Parties”) from and against any and all Indemnifiable Costs, which any of the Shareholder Indemnified Parties may sustain, or to which any of the Shareholder Indemnified Parties may be subjected, arising out of, upon, attributable to, in connection with or resulting from (A) the breach or inaccuracy of any representation or warranty of Buyer in the Transaction Documents on the part of Buyer or the
Company (other than covenants or agreements of the Company to be performed after the Closing Date)

(c) Determination of Loss and Amount. For purposes of determining whether any breach has occurred pursuant to this Agreement or the Option Agreement, or the amount of any Indemnifiable Costs, the representations, warranties, covenants and agreements of the Parties set forth in the Transaction Documents will be considered without regard to any materiality or Material Adverse Effect qualification set forth therein.

Section 7.2 Defense of Claims.

(a) Tax Matters. Notwithstanding anything to the contrary in this Section 7.2, in the case of claims for indemnification arising from any Tax matter (whether or not brought by Buyer, any Affiliate of Buyer or any third party), the provisions of Section 5.8 shall govern the defense and resolution of such claims.

(b) Defense of Claims. In the case of any claim for indemnification arising from a claim of a third party (including any Governmental Authority), an Indemnified Party must give prompt written notice after the Indemnified Party’s receipt of notice of such claim, to the Buyer, in the case of a Shareholder Indemnified Party, or to the Shareholders, in the case of a Buyer Indemnified Party (the “Indemnifying Party”). The written notice shall state in reasonable detail the nature and basis of such claims and the dollar amount of such claim, to the extent known. The failure to give such notice will not, however, relieve any Indemnifying Party of its indemnification obligations except to the extent that an Indemnifying Party is actually and materially harmed thereby. The Indemnifying Party will have the right to defend and to direct the defense against any such claim in its name and at its expense with counsel selected by the Indemnifying Party (that shall be reasonably acceptable to the Indemnified Party) unless there is a conflict of interest between the Indemnified Party and the Indemnifying Party in the conduct of such defense, if the Indemnifying Party (i) demonstrates to the Indemnified Party in writing such Indemnifying Party’s financial ability to provide full indemnification to the Indemnified Party with respect to such matter and (ii) demonstrates that, after giving effect to the application of the limitations in Section 7.4, the Indemnifying Party is reasonably likely to be responsible for a greater portion of the Indemnifiable Costs than the Indemnified Party (and with respect to such portion, agrees in writing that such claim is indemnifiable hereunder, subject to the limitations and provisions set forth in this Article VII). If the Indemnifying Party assumes the defense of a third party claim, it shall be conclusively established for purposes of this Agreement that the claims made in such third party claim are within the scope of and subject to indemnification. In addition, the Indemnifying Party shall not be entitled to assume control of such defense if (1) the third party claim relates to or arises in connection with any criminal proceeding against the Indemnified Party; (2) the third party claim seeks an injunction or equitable relief against the Indemnified Party; or (3) the Indemnifying Party failed or is failing to vigorously prosecute or defend such third party claim. If the Indemnifying Party is entitled to compromise or defend such claim, it will notify the Indemnified Party of its intent to use commercially reasonable efforts to do so, and the Indemnified Party must, at the request and expense of the Indemnifying Party, cooperate in the defense of such claim. If the Indemnifying Party elects, in writing delivered to the Indemnified Party, not to compromise or defend such claim, the Indemnified Party may pay, compromise or defend such claim. Notwithstanding anything to the contrary
contained herein, the Indemnifying Party will have no indemnification obligations with respect to any claim which has been or will be settled by the Indemnified Party without the prior written consent of the Indemnifying Party (such consent not to be unreasonably withheld, conditioned or delayed). The Indemnifying Party’s right to direct the defense will include the right to compromise or enter into an agreement settling any claim by a third party only with the consent of the Indemnified Party (such consent not to be unreasonably withheld, conditioned or delayed), unless the Indemnified Party receives a full release with respect to such claim and the sole relief in such settlement is that monetary damages are paid in full by the Indemnifying Party. The Indemnified Party will have the right to participate in the Indemnifying Party’s defense of any claim with counsel selected by it subject to the Indemnifying Party’s right to direct the defense. The fees and disbursements of such counsel will be at the expense of the Indemnified Party (unless the Indemnified Party’s counsel shall have advised the Indemnified Party in writing, with a copy delivered to the Indemnifying Party, that there is a conflict of interest that could make it inappropriate under applicable standards of professional conduct for the Indemnifying Party and the Indemnified Party to have common counsel). An Indemnifying Party who is not permitted to direct the defense hereof will have the right to participate in the Indemnified Party’s defense of any claim with counsel selected by it subject to the Indemnified Party’s right to direct the defense. The fees and disbursements of such counsel will be at the expense of the Indemnifying Party.

(c) Non-Third Party Claims. Any claim which does not result from a third party claim will be asserted by a written notice from the Indemnified Party to the Indemnifying Party. The Indemnifying Party will have a period of thirty (30) days after receipt of such notice within which to respond thereto. The written notice shall state in reasonable detail the nature and basis of such claim and the dollar amount of such claim, to the extent known. The failure to give such notice will not, however, relieve any Indemnifying Party of its indemnification obligations except to the extent that an Indemnifying Party is actually and materially harmed thereby. If the Indemnifying Party does not respond within such thirty (30) days, the recipient will be deemed to have accepted responsibility for the Indemnifiable Costs set forth in such notice and will have no further right to contest the validity of any claim (or the amount of such claim) set forth in such notice. If the Indemnifying Party responds within such thirty (30) days after the receipt of the notice and rejects such claim in whole or in part, the Indemnified Party will be free to pursue such remedies as may be available to it under contract or applicable law, subject to the terms of this Agreement.

Section 7.3 Manner of Payment. Any indemnification owing to any Indemnified Parties pursuant to this Article VII shall be paid by, or on behalf of, the Indemnifying Party in immediately available funds to an account designated in writing by the Indemnified Party within (30) days after the final determination thereof.

Section 7.4 Limits on Indemnification.

(a) The indemnification provisions of this Article VII shall survive as follows:

(i) except as set forth below, all representations and warranties and the related indemnities made hereunder or pursuant hereto or in connection with the Transaction shall survive the Closing for a period of twenty eight (28) months;
(ii) the representations and warranties contained in Sections 3.1, 3.2, 3.6, 3.7, 3.13, 3.27, 4.2 and 4.3 of this Agreement (the “Fundamental Representations”), the right to make any claim for Fraud, fraudulent conduct or willful misrepresentation, and the related indemnities, shall survive the Closing indefinitely and not expire; and

(iii) notwithstanding anything to the contrary herein, all covenants set forth in the Transaction Documents shall survive in accordance with their respective terms.

Notwithstanding the foregoing, any indemnification claims made prior to the expiration of the applicable statute of limitations or survival period set forth in the preceding sentence, shall continue to survive until such claim is finally resolved.

(b) All Indemnifiable Costs sought by any Party hereunder shall be (i) net of any insurance proceeds actually received by such Person with respect to such claim (net of any deductible amounts, costs of collection and increased premiums) or Tax benefits to the extent actually received by such Person as a result of an indemnified claim (during the fiscal year in which such Indemnifiable Costs were incurred) and (ii) made regardless of any investigation at any time made by or on behalf of any Party hereto or of any information any Party may have in respect thereof.

(c) No payment to any to any Indemnified Party hereunder for indemnification under Article 7 (other than with respect to Fundamental Representations or Fraud, fraudulent conduct or willful misrepresentation claims) shall be made until the aggregate indemnification obligation hereunder exceeds one hundred thousand dollars ($100,000) in the aggregate (the “Indemnification Threshold”), whereupon the Indemnified Parties shall be entitled to indemnification for the entire amount of any such losses. The Indemnified Parties shall not be entitled to assert any claims for Indemnifiable Costs unless the amount of Indemnifiable Costs with respect to such claim exceeds twenty thousand dollars ($20,000), and if such amount is not exceeded none of the Indemnifiable Costs with respect to such claim will count toward satisfying the Indemnification Threshold.

(d) In no event shall the amount payable under Section 7.1(a) exceed an amount equal to the Purchase Price; provided, however, that with respect to Fraud, fraudulent conduct or willful misrepresentation claims, the Buyer Indemnified Parties’ right to recovery shall not be limited.

(e) No Indemnifying Party shall be liable for incidental, consequential or punitive damages except to the extent such incidental, consequential or punitive damages are actually paid to a third party.

(f) The Indemnified Party will use its reasonable efforts to make insurance claims relating to any indemnifiable event for which it is seeking indemnification pursuant to this Article VII; provided, however: (A) that the Indemnified Party shall not be required to initiate legal proceeding and (B) the Indemnifying Party shall not be permitted to delay payment while such insurance claims are in process.

Section 7.5 Treatment of Payments. Any indemnification received or paid under this Article VII shall be treated by Buyer, the Seller, the Optionor and their respective Affiliates, to
the extent permitted by law, as an adjustment to the Purchase Price unless a Final Determination (defined below) causes any such amount not to constitute an adjustment to the purchase price for federal Tax purposes. The term “Final Determination” shall mean (i) any final determination of Liability in respect of a Tax that, under applicable law, is not subject to further appeal, review or modification through proceedings or otherwise (including the expiration of a statute of limitations or a period for the filing of claims for refunds, amended returns or appeals from adverse determinations) or (ii) the payment of Tax by Buyer, the Seller or the Optionor, whichever is responsible for payment of such Tax, with respect to any item disallowed or adjusted by a Governmental Authority, provided that such responsible Party or Parties determine(s) that no action is required to be taken to recoup such payment and the other Party agrees in writing.

ARTICLE VIII - MISCELLANEOUS PROVISIONS

Section 8.1 Assignment, Successors and No Third-Party Rights. No Party hereto may assign any of its rights or delegate any of its obligations under this Agreement without the prior written consent of the other Parties; provided that, Buyer shall be permitted to assign its respective rights, interests and obligations (in whole or in part) to any of its Affiliates without obtaining any consent from the Shareholders; provided that, no such assignment shall relieve Buyer of liability hereunder. Any purported assignment or delegation, except as expressly permitted pursuant to this Section 8.1, shall be void and without effect. Subject to the foregoing, this Agreement will apply to, be binding in all respects upon and inure to the benefit of the successors and permitted assigns of the Parties. (ii) Seller shall deliver a non-foreign affidavit form, dated as of the First Payment Date, in the form and substance required under Treasury Regulation Section 1.1445-2(b)(2)(iv)(A) such that Optionee is exempt from withholding any portion of the First Payment Amount;

(iii) Seller shall surrender the certificate evidencing the Option Shares for cancellation to Laser-Scan, with a copy to Optionee, and Laser-Scan shall prepare a new certificate evidencing and representing the Second Option Share Amount;

(iv) Seller shall have delivered customary assignments for the First Option Share Amount accompanied by duly executed stock powers, free and clear of all Liens;

(v) no temporary restraining order, preliminary or permanent injunction or other Court Order preventing the consummation of the transactions contemplated hereby shall have been issued by any Governmental Authority and remain in effect, and there shall not be any Laws enacted or deemed applicable to the Transaction that makes the Transaction illegal;

(vi) no Person shall have commenced or threatened to commence any Action challenging or seeking the recovery of damages in connection with the Transaction or seeking to prohibit or limit the exercise by Optionee of any right pertaining to ownership of the First Option Share Amount;

(vii) Laser-Scan shall not have had a material adverse event since the Effective Date;

(viii) Optionee shall deliver a certificate, dated as of the First Payment Date, in the form attached hereto as Exhibit D, certifying that: (A) each of the representations and warranties of Optionee contained in the SPA are true and correct as of the First Payment Date, except with respect to representations and warranties that address matters only as of a particular date, which shall remain true and correct as of such date and (B) Optionee is not otherwise in material breach of any of its obligations under this Agreement or the SPA; and

(ix) Optionee shall, based on Seller’s election pursuant to Section 2.4(b), either (A) pay Seller the First Payment Amount by wire transfer of immediately available funds to an account previously specified in writing by Seller or (B) subject to any requirement to have the Consideration Shares Admitted, Optionee shall cause 1Spatial UK to issue Consideration Shares equal to the First Payment Amount; provided, however, that if the Consideration Shares have to be Admitted, Optionee shall cause 1Spatial UK to issue the Consideration Shares as soon as practical thereafter.
(d) **Second Payment Date Deliveries.** In the event that Optionee exercises the Option, on the Second Payment Date:

(i) Seller shall deliver a certificate, dated as of the Second Payment Date, in the form attached hereto as Exhibit E, certifying that: (A) the representations and warranties of Seller contained in Sections 3.1 and 3.2 of the SPA are true and correct as of the Second Payment Date, as modified by the Second Updated Disclosure Schedules, except with respect to which such representations and warranties address matters only as of a particular date, which shall remain true and correct as of such date and (B) Seller is not otherwise in material breach of any of its obligations under this Agreement or the SPA;

(ii) Seller shall deliver a non-foreign affidavit form, dated as of the Second Payment Date, in form and substance required under Treasury Regulation Section 1.1445-2(b)(2)(iv)(A) such that Optionee is exempt from withholding any portion of the Second Payment Amount;

(iii) Seller shall surrender the certificate issued in connection with Section 2.4(c)(iii) evidencing the Second Option Share Amount for cancellation to Optionee;

(iv) Seller shall have delivered customary assignments for the Second Option Share Amount accompanied by duly executed stock powers, free and clear of all Liens;

(v) no temporary restraining order, preliminary or permanent injunction or other Court Order preventing the consummation of the transactions contemplated hereby shall have been issued by any Governmental Authority and remain in effect, and there shall not be any Laws enacted or deemed applicable to the Transaction that makes the Transaction illegal;

(vi) no Person shall have commenced or threatened to commence any Action challenging or seeking the recovery of damages in connection with the Transaction or seeking to prohibit or limit the exercise by Optionee of any right pertaining to ownership of the Second Option Share Amount;

(vii) Optionee shall deliver a certificate, dated as of the Second Payment Date, in the form attached hereto as Exhibit F, certifying that: (A) each of the representations and warranties of Optionee contained in the SPA are true and correct as of the Second Payment Date, except with respect to representations and warranties that address matters only as of a particular date, which shall remain true and correct as of such date and (B) Optionee is not otherwise in material breach of any of its obligations under this Agreement or the SPA; and

(viii) Optionee shall, based on Optionee’s election pursuant to Section 2.4(b), either (A) pay Seller the Second Payment Amount by wire transfer of immediately available funds to an account previously specified in writing by Seller or (B) subject to any requirement to have the Consideration Shares Admitted, Optionee shall cause 1Spatial UK to issue Consideration Shares equal to the Second Payment Amount; provided, however, that if the Consideration Shares have to be Admitted, Optionee shall cause 1Spatial UK to issue the Consideration Shares as soon as practical thereafter.
ARTICLE III. - TERMINATION

Section 3.1 Termination Rights.

(a) Notwithstanding anything in this Agreement to the contrary, this Agreement may be terminated:

(i) at any time prior to the Option Exercise Date, by the written agreement of Optionee and Seller; or

(ii) at any time prior to the First Payment Date, by Optionee, by delivery of written notice to Seller after Optionee’s receipt of the Updated SPA Disclosure Schedules, in the event that such Updated SPA Disclosure Schedules contains a change of more than one hundred thousand dollars ($100,000) or a change otherwise deemed material to the Laser-Scan Business by the Optionee (the “Option Exercise Withdrawal Termination Date”).

(b) Unless earlier terminated in accordance with Section 3.1(a), this Agreement shall terminate automatically and without further notice on: the Option Exercise Date if Optionee does not exercise the Option on the Option Exercise Date.

Section 3.2 Effect of Termination. In the event that this Agreement shall be terminated pursuant to this Article 3, all further obligations pursuant to Article 2 of the Parties under this Agreement shall be terminated without further Liability of either Party to the other; provided, however, that neither Optionee nor Seller shall be relieved of any obligation or Liability arising as a result of Fraud by such party of any provision of this Agreement prior to the date of such termination.

ARTICLE IV. – COVENANTS

Section 4.1 Covenant Not to Compete; Covenant Not to Solicit. For and in consideration of the Option Consideration paid to the Seller as of the Effective Date and, if applicable, the Payment Amount at the relevant payment date, the Seller covenants and agrees, for a period of four (4) years from and after the later of (i) the Option Exercise Date or (ii) the Second Payment Date, that she will not, directly or indirectly, without the prior written consent of Optionee, for or on behalf of any Person other than Optionee or its Affiliates:

(a) Manage, control, participate in, consult with, render services for, become interested or engaged, directly or indirectly, as a shareholder, bondholder, creditor or Representative of, or in any manner associated with, or give financial, technical or other assistance to, any Person, firm or corporation that engages in or competes with the Laser-Scan Business in the U.S.; provided, however, that no owner of less than one percent (1%) of the outstanding stock of any publicly traded corporation shall be deemed to be in a violation of this Section 4.1 solely by reason thereof (so long as Seller has no active participation in the business of such corporation).

(b) (i) Solicit or induce, or attempt to solicit or induce any employee, independent contractor or consultant of Laser-Scan to terminate such Person’s relationship with Laser-Scan, or in any way interfere with the relationship between Laser-Scan and any employee,
independent contractor or consultant thereof, except as a result of a general solicitation in news media of general circulation; (ii) induce or attempt to induce any customer, supplier, vendor, service provider, employee, licensee, licensor, lessor, franchisee or other business relation of Laser-Scan or the Laser-Scan Business to cease doing business with Laser-Scan; or (iii) in any way interfere with the relationship between any such customer, supplier, vendor, service provider, employee, licensee, licensor, lessor, franchisee or other business relation and Laser-Scan (including making any negative statements or communications about Optionee, Laser-Scan or the Laser-Scan Business).

(c) Seller acknowledges that the covenants contained in this Section 4.1 hereof are of a special, unique, unusual and extraordinary character, which give them peculiar value, the loss of which cannot be reasonably or adequately compensated in an action at law, and that, in the event there is a breach thereof by Seller, Optionee will suffer irreparable harm, the amount of which will be impossible to ascertain and Optionee shall be entitled to specific performance as set forth in Section 7.10. If Optionee is obliged to resort to the courts for the enforcement of any of the covenants contained in this Section 4.1, each such covenant shall be extended for a period of time equal to the period of such breach, if any, which extension shall commence on the later of (i) the date on which the original (unextended) term of such covenant is scheduled to terminate or (ii) the date of the final court order (without further right of appeal) enforcing such covenant.

(d) If the final judgment of a court of competent jurisdiction declares that any term or provision of this Section 4.1 is invalid or unenforceable, the Parties agree that the court making the determination of invalidity or unenforceability shall have the power to reduce the scope, duration, or area of the term or provision, to delete specific words or phrases, or to replace any invalid or unenforceable term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this Agreement shall be enforceable as so modified after the expiration of the time within which the judgment may be appealed.

(e) Seller expressly acknowledges and agrees that (i) each and every restriction contained in this Section 4.1 is reasonable in all respects (including with respect to subject matter, time period and geographical area) and such restrictions are necessary to protect Optionee’s interest in, and value of, Laser-Scan (including the goodwill inherent therein); (ii) Seller is primarily responsible for the creation of such value; and (iii) Optionee would not have entered into this Agreement and consummated the Transaction without the restrictions contained in this Section 4.1.

Section 4.2 Conduct of Business. During the period beginning on the Effective Date and ending on the later of (i) the Option Exercise Date or (ii) the Second Payment Date (the “Pre-Termination Period”), Laser-Scan shall, except as consented to by Optionee in writing, (A) operate the Laser-Scan Business in the ordinary course and in accordance with past practice; (B) operate the Laser-Scan Business in accordance with applicable Law; and (C) comply with the terms of the Amended and Restated Charter and its bylaws (including with respect to any amendment, restatement or waiver thereof).
Section 4.3 Access by Optionee. During the Pre-Termination Period, Laser-Scan shall, and shall cause Laser-Scan’s Representatives to, afford Optionee and its Representatives reasonable access upon reasonable notice and at reasonable times to the Laser-Scan Business for the purpose of inspecting the same, and to its officers, employees and Representatives, properties, books and records, contracts and other Assets, and shall furnish to Optionee and its Representatives, upon reasonable notice and in a timely manner, all material financial, operating and other data and information as Optionee or its Representatives may reasonably request. Nothing herein shall require Laser-Scan to disclose any information to Optionee or its Representatives if such disclosure would, in Laser-Scan’s reasonable discretion after consultation with Laser-Scan’s legal counsel, (i) waive any attorney-client or other legal privilege or (ii) contravene any applicable Law, or breach any binding agreement entered into prior to the Effective Date; provided, however, that in the event Laser-Scan elects to withhold information pursuant to (i) or (ii) of this Section 4.3, Laser-Scan shall provide, within three (3) Business Days of Laser-Scan’s election, a reasonably detailed description of the facts and circumstances surrounding its decision to withhold such information; provided further than, notwithstanding such election, Laser-Scan shall (A) authorize and instruct its legal counsel to discuss Laser-Scan’s determination and the bases thereof with Optionee’s legal counsel and (B) in any and all events use commercially reasonable efforts to disclose such information to Optionee without waiving, contravening or breaching the matters described in clauses (i) and (ii) above.

Section 4.4 Notification of Certain Matters. During the Pre-Termination Period, each Party shall promptly notify the other Party in writing of:

(a) the discovery by such Party of any event, condition, fact or circumstance that occurred or existed on or prior to the Effective Date, the First Payment Date or the Second Payment Date and that would reasonably be expected to cause any of the conditions to the obligations of Optionee to consummate the transactions contemplated hereby or by the SPA not to be satisfied; and

(b) any breach of any covenant or obligation of such Party under this Agreement or the SPA.

Section 4.5 Takeover Statutes. If any Takeover Statute is or may become applicable to the transactions contemplated hereby or the SPA, Laser-Scan’s board of directors will grant such approvals and take such actions as are necessary so that the transactions contemplated hereby and the SPA may be consummated as promptly as practicable on the terms contemplated hereby and thereby and otherwise act to eliminate the effects of any Takeover Statute on any of the transactions contemplated hereby and thereby.

Section 4.6 Necessary Consents. During the Pre-Termination Period, each Party will use commercially reasonable efforts to obtain such Consents from Governmental Authorities and third parties which are necessary to the consummation of the transactions provided for herein and the SPA; provided that the agreement of Laser-Scan with respect to any such Consent shall not be unreasonably withheld, conditioned or delayed.
Section 4.7  Reasonable Efforts. Subject to the terms and conditions set forth in this Agreement, during the Pre-Termination Period, each of Seller, Optionee and Laser-Scan shall use commercially reasonable efforts (subject to, and in accordance with, applicable Laws) to take promptly, or cause to be taken, all actions, and to do promptly, or cause to be done, and to assist and cooperate with the other Parties in doing, all things necessary, proper or advisable to consummate the transactions contemplated hereby and by the SPA.

Section 4.8  Acquisition Proposals. Prior to 31 October 2016, Laser-Scan shall not, nor shall it permit or cause any of its Affiliates, or any officer, director, employee, investment banker or other Representative of Laser-Scan to, directly or indirectly, (i) solicit, initiate, or knowingly encourage the submission of any Acquisition Proposal; (ii) enter into any agreement with respect to, otherwise approve or recommend, or consummate, any Acquisition Proposal; or (iii) participate in any discussions or negotiations regarding or furnish to any Person any information for the purpose of facilitating the making of, or take any other action for the purpose of facilitating any inquiries or the making of, any proposal that constitutes or would reasonably be expected to lead to, any Acquisition Proposal. Laser-Scan shall notify Optionee in writing promptly (but in any case within one (1) Business Day) after receipt by it of any Acquisition Proposal or any request for information in connection with an Acquisition Proposal or for access to any of the properties, books or records or other Assets of Laser-Scan by any Person that informs Laser-Scan that it is considering making, or has made, an Acquisition Proposal (such notice shall provide all details of such Acquisition Proposal or request, including the identity of the Person making such proposal).

Section 4.9  Transfer Taxes. All transfer, documentary, sales, use, stamp, registration and other such Taxes, and all conveyance fees, recording charges and other fees and charges (including any penalties and interest) incurred in connection with this Agreement or the consummation of the transactions contemplated by this Agreement shall be paid by the Seller when due, and Seller shall, at Seller’s own expense, file all necessary Tax Returns and other documentation with respect to all such Taxes, fees, and charges.

Section 4.10  Short Year Tax Returns.

(a)  Straddle Period. In case of any taxable period that includes (but does not end on) the First Payment Date or Second Payment Date, as applicable (each such period, a “Straddle Period”), the amount of any Taxes based on or measured by income, receipts, or payroll of Laser-Scan for any Pre-Closing Tax Period shall be determined based on an interim closing of the books as of the close of business on the First Payment Date or Second Payment Date, as applicable, and the amount of other Taxes of Laser-Scan for a Straddle Period that relates to any Pre-Closing Tax Period shall be deemed to be the amount of such Tax for the entire taxable period multiplied by a fraction the numerator of which is the number of days in the taxable period ending on the First Payment Date or Second Payment Date, as applicable, and the denominator of which is the number of days in such Straddle Period.

(b)  Tax Returns. Optionee shall prepare or cause to be prepared and file or cause to be filed all Tax Returns for Laser-Scan for all periods ending on or prior to the First Payment Date or Second Payment Date, as applicable, that are filed after the First Payment Date or Second Payment Date, as applicable. Optionee shall deliver such Tax Returns to the Seller for
review at least forty (40) days before the date on which such Tax Returns are required to be filed. Failure of the Seller to object to such Tax Returns by a writing received by the Optionee within thirty (30) days of such delivery shall constitute consent thereto by the Seller. Optionee and Seller shall undertake in good faith to resolve any issues raised in any such written objection prior to the due date (including any extension thereof) for filing such Tax Returns and mutually consent to the filing of such Tax Returns, in which case the information and total amount of Taxes shown to be due on such agreed Tax Returns shall be final and binding on the Parties absent manifest error. If the Optionee and Seller are unable to resolve any dispute concerning such Tax Returns by the earlier of (A) seven (7) days after the date of Optionee’s receipt of written notice from the Seller setting forth the Seller’s proposed resolution of such dispute, or (B) seven (7) days prior to the due date for filing of such Tax Returns in question (including any extension thereof), Optionee and Seller shall submit all such disputes to an independent accountant mutually acceptable to them for resolution. In any case where a disputed item has not been resolved, either by mutual agreement of Optionee or Seller or by a determination of the independent accountant, prior to the due date (including any extension thereof) for filing such Tax Returns, then Laser-Scan may resolve such item as Laser-Scan shall determine in its sole discretion and cause such Tax Returns to be filed on the due date (including any extension thereof) for filing such Tax Returns without the consent of the Seller. Notwithstanding the filing of such Tax Returns, (A) the independent accountant shall make a determination with respect to any such disputed item and (B) the amounts due with respect to such Tax Returns (including items on a K-1) shall be determined after giving effect to the independent accountant’s determination and Laser-Scan shall file such amended Tax Returns as are necessary to reflect such determination. All costs and expenses associated with or charged by the independent accountant shall be borne fifty percent (50%) by Optionee and fifty percent (50%) by Seller.

Section 4.11 Cooperation on Tax Matters. After the First Payment Date, the Parties shall each cooperate, and the Optionee shall cause Laser-Scan to cooperate, as reasonably requested by any other Party, in connection with the filing of Tax Returns and any audit, litigation or other proceeding with respect to Taxes. Optionee shall retain, and shall cause Laser-Scan to retain, and to provide to Seller upon request, records and information reasonably relevant to such audit, litigation or other proceeding, and to make employees available to Seller on a mutually convenient basis to explain such records or provide additional information. Optionee shall cause Laser-Scan or any successor controlled by Optionee to retain all books and records with respect to Tax matters for any period beginning prior to the First Payment Date until the expiration, as extended, of all applicable statutes of limitation and to give reasonable advance notice to Seller prior to destroying, transferring or discarding any such books and records, provided that Optionee shall cause Laser-Scan to transfer to Seller possession of such books and records proposed to be destroyed, transferred or discarded if Seller so requests. Each of the Parties, upon request of another Party, shall use reasonable efforts to obtain from any Person any document that is necessary to mitigate, reduce or eliminate any Tax on Laser-Scan or on any Party, including as a result of the transactions described in this Agreement.

Section 4.12 Tax Proceedings. This Section 4.12 shall apply to any third party claim relating to Tax Proceedings (as defined below). After the First Payment Date or Second Payment Date, as applicable, Optionee shall promptly notify the Seller in writing of the proposed assessment or the commencement of any Tax audit or administrative or judicial proceeding or of any demand or claim which, if determined adversely to the taxpayer or after the lapse of time,
could be grounds for payment of indemnification for Taxes by the Seller under this Agreement (a “Tax Proceeding”), provided, however, that the failure to give such notice shall not affect the indemnification provided hereunder except to the extent the Seller has been actually prejudiced as a result of such failure. Such notice shall contain factual information describing the asserted Tax Liability in reasonable detail and shall include copies of any notice or other document received from any Governmental Authority in respect of any such asserted Tax Liability. Optionee shall have the right to control the conduct of such Tax Proceeding, provided that (i) Optionee shall keep Seller informed on a timely basis with respect to any developments relating to such Tax Proceedings (including the delivery of copies of any correspondence with the applicable Governmental Authority) and shall timely provide Seller with any other materials relating to such Tax Proceedings that are reasonably requested by Seller, and (ii) Optionee shall consider in good faith any comments provided by Seller with respect to any Tax Proceeding.

Section 4.13  No Code Section 336(e) Election. Neither Laser-Scan nor the Seller shall make an election under Section 336(e) of the Code with respect to the transactions contemplated by this Agreement.

Section 4.14  Transfer Restrictions. Other than pursuant to this Agreement, the Seller agrees that the Option Shares, and any rights therein, shall not be sold, pledged, or otherwise transferred, and Laser-Scan shall not recognize and shall issue stop-transfer instructions to its transfer agent with respect to any such sale, pledge or transfer.

ARTICLE V. – INDEMNIFICATION

Section 5.1  Indemnification.

(a)  Indemnification of Optionee.

(i) From and after the Closing (as defined in the SPA), subject to the limitations as provided in Section 5.4, Seller shall indemnify and hold harmless Optionee and its Affiliates, shareholders, partners, officers, directors, employees, agents, Representatives, successors and permitted assigns (collectively, the “Optionee Indemnified Parties”) from and against any and all damages, losses, claims, Liabilities, demands, charges, suits, Taxes, penalties, costs and expenses whether or not arising out of third party claims (including interest, court costs and reasonable attorneys’ fees and expenses incurred in investigating and preparing for any litigation or proceeding in connection with any of the foregoing) (collectively, the “Indemnifiable Costs”), which any of the Optionee Indemnified Parties may sustain, or to which any of the Optionee Indemnified Parties may be subjected, arising out of upon, attributable to, in connection with or resulting from (A) the breach or inaccuracy of any representation or warranty of Seller set forth in Section 3.1 and Section 3.2 of the SPA made in the SPA, this Agreement, or any document or certificate delivered hereunder or pursuant thereto or hereto or (B) the breach of any covenant or other agreement on the part of such Seller pursuant to Section 4.1 hereof.

(ii) From and after the First Payment Date, Seller shall indemnify and hold harmless the Optionee Indemnified Parties from and against the Seller’s Portion of any and all Indemnifiable Costs which any of the Optionee Indemnified Parties may sustain, or to which any of the Optionee Indemnified Parties may be subjected, arising out of upon, attributable to, in
connection with or resulting from (A) the breach or inaccuracy of any representation or warranty of the Shareholders (as defined in the SPA) or Laser-Scan in the SPA, this Agreement, or any document or certificate delivered hereunder, as modified by the Updated SPA Disclosure Schedules; (B) the breach of any covenant or other agreement on the part of the Shareholders or Laser-Scan in the Transaction Documents (as defined in the SPA) (other than covenants or agreements of Laser-Scan to be performed after the First Payment Date and other than covenants to be performed by Seller pursuant to Section 4.1 hereof (in which case, Seller shall be subject to the indemnification obligations in Section 5.1(a)(i)); and (C) all Taxes (or the non-payment thereof) of Laser-Scan for any Pre-Closing Tax Period and any and all Taxes of any Person (other than Laser-Scan) imposed on Laser-Scan as a transferee or successor, by contract or pursuant to any law, rule, or regulation, which Taxes relate to an event or transaction occurring during any Pre-Closing Tax Period.

(iii) Indemnification of Seller. From and after the First Payment Date, subject to the limitations as provided in Section 5.4, Optionee agrees to indemnify and hold harmless Seller and its Affiliates, agents, Representatives, successors and permitted assigns (collectively, the “Seller Indemnified Parties” and together with the Optionee Indemnified Parties, the “Indemnified Parties”) from and against the Seller’s Portion of any and all Indemnifiable Costs, which any of the Seller Indemnified Parties may sustain, or to which any of the Seller Indemnified Parties may be subjected, arising out of, upon, attributable to, in connection with or resulting from (A) the breach or inaccuracy of any representation or warranty of the Optionee in the Transaction Documents on the part of the Optionee or Laser-Scan (other than covenants or agreements of Laser-Scan to be performed after the First Payment Date).

(b) Determination of Loss and Amount. For purposes of determining whether any breach has occurred pursuant to this Agreement or the SPA, or the amount of any Indemnifiable Costs, the representations, warranties, covenants and agreements of the Parties set forth in the Transaction Documents will be considered without regard to any materiality or Material Adverse Effect qualification set forth therein

Section 5.2 Defense of Claims.

(a) Tax Matters. Notwithstanding anything to the contrary in this Section 5.2, in the case of claims for indemnification arising from any Tax matter (whether or not brought by Buyer, any Affiliate of Buyer or any third party), the provisions of Section 4.12 shall govern the defense and resolution of such claims.

(b) Defense of Claims. In the case of any claim for indemnification arising from a claim of a third party (including any Governmental Authority), an Indemnified Party must give prompt written notice after the Indemnified Party’s receipt of notice of such claim, to the Optionee, in the case of a Seller Indemnified Party, or to the Seller, in the case of an Optionee Indemnified Party (the “Indemnifying Party”). The written notice shall state in reasonable detail the nature and basis of such claims and the dollar amount of such claim, to the extent known. The failure to give such notice will not, however, relieve any Indemnifying Party of its indemnification obligations except to the extent that an Indemnifying Party is actually and materially harmed thereby. The Indemnifying Party will have the right to defend and to direct the defense against any such claim in its name and at its expense with counsel selected by the
Indemnifying Party (that shall be reasonably acceptable to the Indemnified Party) unless there is
a conflict of interest between the Indemnified Party and the Indemnifying Party in the conduct of
such defense, if the Indemnifying Party (i) demonstrates to the Indemnified Party in writing such
Indemnifying Party’s financial ability to provide full indemnification to the Indemnified Party
with respect to such matter and (ii) demonstrates that, after giving effect to the application of the
limitations in Section 5.4, the Indemnifying Party is reasonably likely to be responsible for a
greater portion of the Indemnifiable Costs than the Indemnified Party (and with respect to such
portion, agrees in writing that such claim is indemnifiable hereunder, subject to the limitations
and provisions set forth in this Article V). If the Indemnifying Party assumes the defense of a
third party claim, it shall be conclusively established for purposes of this Agreement and the SPA
that the claims made in such third party claim are within the scope of and subject to
indemnification. In addition, the Indemnifying Party shall not be entitled to assume control of
such defense if (1) the third party claim relates to or arises in connection with any criminal
proceeding against the Indemnified Party; (2) the third party claim seeks an injunction or
equitable relief against the Indemnified Party; or (3) the Indemnifying Party failed or is failing to
vigorously prosecute or defend such third party claim. If the Indemnifying Party is entitled to
compromise or defend such claim, it will notify the Indemnified Party of its intent to use
commercially reasonable efforts to do so, and the Indemnified Party must, at the request and
expense of the Indemnifying Party, cooperate in the defense of such claim. If the Indemnifying
Party elects, in writing delivered to the Indemnified Party, not to compromise or defend such
claim, the Indemnified Party may pay, compromise or defend such claim. Notwithstanding
anything to the contrary contained herein, the Indemnifying Party will have no indemnification
obligations with respect to any claim which has been or will be settled by the Indemnified Party
without the prior written consent of the Indemnifying Party (such consent not to be unreasonably
withheld, conditioned or delayed). The Indemnifying Party’s right to direct the defense will
include the right to compromise or enter into an agreement settling any claim by a third party
only with the consent of the Indemnified Party (such consent not to be unreasonably withheld,
conditioned or delayed), unless the Indemnified Party receives a full release with respect to such
claim and the sole relief in such settlement is that monetary damages are paid in full by the
Indemnifying Party. The Indemnified Party will have the right to participate in the Indemnifying
Party’s defense of any claim with counsel selected by it subject to the Indemnifying Party’s right
to direct the defense. The fees and disbursements of such counsel will be at the expense of the
Indemnified Party (unless the Indemnified Party’s counsel shall have advised the Indemnifying
Party in writing, with a copy delivered to the Indemnifying Party, that there is a conflict of
interest that could make it inappropriate under applicable standards of professional conduct for
the Indemnifying Party and the Indemnified Party to have common counsel). An Indemnifying
Party who is not permitted to direct the defense hereof will have the right to participate in the
Indemnified Party’s defense of any claim with counsel selected by it subject to the Indemnified
Party’s right to direct the defense. The fees and disbursements of such counsel will be at the
expense of the Indemnifying Party.

(c) Non-Third Party Claims. Any claim which does not result from a third
party claim will be asserted by a written notice from the Indemnified Party to the Indemnifying
Party. The Indemnifying Party will have a period of thirty (30) days after receipt of such notice
within which to respond thereto. The written notice shall state in reasonable detail the nature and
basis of such claim and the dollar amount of such claim, to the extent known. The failure to give
such notice will not, however, relieve any Indemnifying Party of its indemnification obligations
except to the extent that an Indemnifying Party is actually and materially harmed thereby. If the Indemnifying Party does not respond within such thirty (30) days, the recipient will be deemed to have accepted responsibility for the Indemnifiable Costs set forth in such notice and will have no further right to contest the validity of any claim (or the amount of such claim) set forth in such notice. If the Indemnifying Party responds within such thirty (30) days after the receipt of the notice and rejects such claim in whole or in part, the Indemnified Party will be free to pursue such remedies as may be available to it under contract or applicable law, subject to the terms of this Agreement.

Section 5.3 Manner of Payment. Any indemnification owing to the Indemnified Parties pursuant to this Article V shall be paid by, or on behalf of, the Indemnifying Party in immediately available funds to an account designated in writing by the Indemnified Parties within thirty (30) days after the final determination thereof.

Section 5.4 Limits on Indemnification.

(a) All Indemnifiable Costs sought by any Party hereunder shall be (i) net of any insurance proceeds actually received by such Person with respect to such claim (net of any deductible amounts, costs of collection and increased premiums) or Tax benefits to the extent actually received by such Person as a result of an indemnified claim (during the fiscal year in which such Indemnifiable Costs were incurred) and (ii) made regardless of any investigation at any time made by or on behalf of any Party hereto or of any information any Party may have in respect thereof. The indemnification provisions of this Article V shall survive as follows:

(i) except as set forth below, all representations and warranties and the related indemnities made in the SPA, this Agreement, or any document or certificate delivered hereunder or pursuant thereto or hereto or in connection with the transactions contemplated hereby or thereby shall survive the Second Payment Date for a period of two (2) years;

(ii) the representations and warranties contained in Sections 3.1, 3.2, 3.6, 3.7, 3.13, 3.27, 4.2 and 4.3 of the SPA made in the SPA, this Agreement, or any document or certificate delivered hereunder or pursuant thereto or hereto (the “Fundamental Representations”), the right to make any claim for fraud, fraudulent conduct or willful misrepresentation, and the related indemnities, shall survive the Second Payment Date indefinitely and not expire;

(iii) notwithstanding anything to the contrary herein, all covenants set forth in the Transaction Documents shall survive in accordance with their respective terms.

Notwithstanding the foregoing, any indemnification claims made prior to the expiration of the applicable statute of limitations or survival period set forth in the preceding sentence, shall continue to survive until such claim is finally resolved.

(b) Neither Optionee nor Seller shall be liable for incidental, consequential or punitive damages except to the extent such incidental, consequential or punitive damages are actually paid to a third party.
The Indemnified Party will use its reasonable efforts to make insurance claims relating to any indemnifiable event for which it is seeking indemnification pursuant to this Article V; provided, however: (A) that the Indemnified Party shall not be required to initiate legal proceedings and (B) the Indemnifying Party shall not be permitted to delay payment while such insurance claims are in process.

Section 5.5 Treatment of Payments. Any indemnification received or paid under this Article V shall be treated by Optionee, the Seller and their respective Affiliates, to the extent permitted by law, as an adjustment to the Payment Amount unless a Final Determination (defined below) causes any such amount not to constitute an adjustment to the purchase price for federal Tax purposes. The term “Final Determination” shall mean (i) any final determination of Liability in respect of a Tax that, under applicable law, is not subject to further appeal, review or modification through proceedings or otherwise (including the expiration of a statute of limitations or a period for the filing of claims for refunds, amended returns or appeals from adverse determinations) or (ii) the payment of Tax by Optionee or the Seller, whichever is responsible for payment of such Tax, with respect to any item disallowed or adjusted by a Governmental Authority, provided that such responsible Party or Parties determine(s) that no action is required to be taken to recoup such payment and the other Party agrees in writing.

ARTICLE VI. – REPURCHASE OPTIONS

Section 6.1 Put Option.

(a) If the First Updated Disclosure Schedules contain a change of more than one hundred thousand dollars ($100,000) or a change otherwise deemed material to the Laser-Scan Business by the Optionee, the Optionee may, in its sole discretion, require that the Seller or her designee repurchase all of the SPA Purchased Shares for a purchase price equal to the Put Option Amount (the “Put Option”).

(b) Optionee may exercise the Put Option by delivering written notice to the Seller, within thirty (30) days after the Option Exercise Withdrawal Termination Date, stating that it is exercising its Put Option and the closing of such sale shall occur no less than forty five (45) days after such written notice (the “Put Option Payment Date”). On the Put Option Payment Date, (i) the Seller shall pay to the Optionee, by wire transfer in immediately available funds, the Put Option Amount and (ii) the Optionee shall deliver customary assignments for the SPA Purchased Shares accompanied by duly executed stock powers, free and clear of all Liens. The Parties agree that they shall negotiate, in good faith, execute and deliver definitive agreements effectuating the Put Option prior to the Put Option Payment Date. The closing of the Put Option shall take place at the offices of Brown Rudnick LLP, 8 Clifford Street, London, W1S 2LQ.

Section 6.2 Call Option.

(a) In the event that Optionee does not exercise the Option, the Seller or her designee shall have the right to require the Optionee to sell all of the SPA Purchased Shares to her or her designee for a purchase price equal to the Call Option Amount (the “Call Option”).
(b) Seller may exercise the Call Option by delivering written notice, within thirty (30) days after the termination of this Agreement in accordance with Article 3, to the Optionee stating that such she is exercising her Call Option and the closing of such purchase shall occur no less than forty five (45) days after such written notice ("Call Option Payment Date"). On the Call Option Payment Date, (i) the Seller shall pay to the Optionee, by wire transfer in immediately available funds, the Call Option Amount and (ii) the Optionee shall deliver customary assignments for the SPA Purchased Shares accompanied by duly executed stock powers, free and clear of all Liens. The Parties agree that they shall negotiate, in good faith, execute and deliver definitive agreements effectuating the Call Option prior to the Call Option Payment Date. The closing of the Repurchase Option shall take place at the offices of Brown Rudnick LLP, 8 Clifford Street, London, W1S 2LQ.

ARTICLE VII. - MISCELLANEOUS PROVISIONS

Section 7.1 Optionee Liquidation Event.

(a) If, prior to the Option Exercise Date, the Optionee approves an Optionee Liquidation Event:

(i) Optionee shall provide notice to Seller within one (1) Business Day of such approval;

(ii) the Option shall, immediately prior to the effective time of the Optionee Liquidation Event, be automatically exercised, without any further action on the part of Optionee; and

(iii) Optionee shall, within three (3) Business Days of the effectiveness of the Optionee Liquidation Event, pay Seller the Payment Amount by wire transfer of immediately available funds to an account previously specified in writing by Seller.

(b) If, prior to the payment of the Second Payment Amount, the Optionee approves an Optionee Liquidation Event:

(i) Optionee shall provide notice to Seller within one (1) Business Day of such approval and

(ii) Optionee shall, within three (3) Business Days of the effectiveness of the Optionee Liquidation Event, pay Seller the Second Payment Amount by wire transfer of immediately available funds to an account previously specified in writing by Seller.

Section 7.2 Assignment, Successors and No Third-Party Rights. No Party hereto may assign any of its rights or delegate any of its obligations under this Agreement without the prior written consent of the other Parties; provided that, Optionee shall be permitted to assign its respective rights, interests and obligations (in whole or in part) to any of its Affiliates without obtaining any consent from Seller; provided that, no such assignment shall relieve Optionee of liability hereunder. Any purported assignment or delegation, except as expressly permitted pursuant to this Section 7.2, shall be void and without effect. Subject to the foregoing, this Agreement will apply to, be binding in all respects upon and inure to the benefit of the
successors and permitted assigns of the Parties. Nothing expressed or referred to in this Agreement will be construed to give any Person other than the Parties any legal or equitable right, remedy or claim under or with respect to this Agreement or any provision of this Agreement, except such rights as shall inure to a successor or permitted assignee pursuant to this Section 7.2.

Section 7.3  Notices. Unless otherwise expressly provided herein, any notice, request, instruction or other document to be given hereunder by any Party to another Party shall be in writing and shall be deemed to have been duly given (i) when delivered, if delivered by hand; (ii) one (1) Business Day after being sent, if sent by overnight delivery via a national courier service; (iii) when transmitted and receipt is confirmed, if sent via facsimile with confirmation of receipt; or (iv) three (3) Business Days after mailing, if mailed by registered or certified mail (return receipt requested), to the Parties at the following addresses (or at such other address for a Party as shall be specified in a notice given in accordance with this Section 7.3):

Section 7.4 Mediation.

(a) Subject to Section 7.10, the Parties shall initially attempt in good faith to resolve any Action arising out of this Agreement and/or its subject matter or negotiation (whether arising under contract law, tort law or otherwise) (each, a “Dispute”) prior to commencing any formal action. If a Dispute has not been corrected or resolved within a reasonable time not to exceed thirty (30) days after a Party has first been notified by the other Party, then either Party may request that the Dispute be submitted to non-binding mediation in accordance with the Centre for Effective Dispute Resolution (“CEDR”) Model Mediation Procedure.

(b) If a Party elects to request that the Dispute be submitted to non-binding mediation, such Party shall give notice to the other Party and to the CEDR, of such Party’s request for non-binding mediation (the “Mediation Notice”).

(c) Unless otherwise agreed by the Parties, (i) the mediator will be nominated by the CEDR within fourteen (14) days after the Mediation Notice and (ii) the mediation will start within twenty-eight (28) days after the Mediation Notice.

(d) Each Party shall participate in the mediation until the Dispute has (i) been settled or resolved or (ii) been declared terminated by the mediator.

(e) All statements, promises, offers, views and opinions made or communicated by either Party in the mediation proceedings shall be without prejudice, secret and confidential in all respects, and will not be discoverable or admissible for any purposes, including impeachment, in any litigation or other proceeding between the Parties; provided, however, that evidence otherwise discoverable or admissible will not be excluded from discovery or admission as a result of its use in the mediation proceeding.

(f) The Parties agree that the mediation proceedings shall be conducted in England and the Mediation Procedure (as referred to in the CEDR Model Procedure) shall be
governed by, and shall be construed and enforced in accordance with, the internal laws of England and Wales.

(g) All costs, fees and expenses of the CEDR, the mediator and the mediation shall be borne fifty percent (50%) by Optionee and fifty percent (50%) Seller.

Section 7.5 Governing Law. SUBJECT TO SECTION 7.4, THIS AGREEMENT AND ALL MATTERS RELATING HERETO AND ARISING HEREFROM (WHETHER ARISING UNDER CONTRACT LAW, TORT LAW OR OTHERWISE) SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF DELAWARE WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES.

Section 7.6 Consent to Jurisdiction. Subject to Section 7.4, the Parties (i) hereby irrevocably and unconditionally submit to the jurisdiction of the state courts of Delaware and to the jurisdiction of the United States District Court for the District of Delaware for the purpose of any Dispute; (ii) agree not to commence any Dispute except in the state courts of Delaware or the United States District Court for the District of Delaware; and (iii) hereby waive, and agree not to assert, by way of motion, as a defense, or otherwise, in any such Dispute, any claim that it is not subject personally to the jurisdiction of the above-named courts, that its property is exempt or immune from attachment or execution, that the Dispute is brought in an inconvenient forum, that the venue of the Dispute is improper or that this Agreement or the subject matter hereof may not be enforced in or by such court.

Section 7.7 Waiver of Jury Trial. EACH PARTY HEREBY WAIVES ITS RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT, THE OTHER TRANSACTION DOCUMENTS, OR THE SUBJECT MATTER HEREOF OR THEREOF. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL-ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS TRANSACTION, INCLUDING, WITHOUT LIMITATION, CONTRACT CLAIMS, TORT CLAIMS (INCLUDING NEGLIGENCE), BREACH OF DUTY CLAIMS, AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. THIS SECTION HAS BEEN FULLY DISCUSSED BY EACH OF THE PARTIES HERETO AND THESE PROVISIONS WILL NOT BE SUBJECT TO ANY EXCEPTIONS. EACH PARTY HERETO HEREBY FURTHER WARRANTS AND REPRESENTS THAT SUCH PARTY HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL, AND THAT SUCH PARTY KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL.

Section 7.8 Entire Agreement; Amendments and Waivers. This Agreement, together with all Exhibits and Schedules hereto, the SPA, and the Confidentiality Agreement, constitute the entire agreement among the Parties pertaining to the subject matter hereof and supersede all prior agreements, understandings, negotiations and discussions, whether oral or written, of the Parties. No supplement, modification or waiver of this Agreement shall be binding unless executed in writing by the Party to be bound thereby. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provision hereof (whether or
not similar), nor shall such waiver constitute a continuing waiver unless otherwise expressly provided.

Section 7.9 Expenses. Except as expressly stated herein, each Party shall bear and pay all fees, costs and expenses (including legal fees and accounting fees) that have been incurred or that are incurred by such Party in connection with the transactions contemplated by this Agreement.

Section 7.10 Specific Performance. The Parties hereto agree that irreparable damage would occur to Optionee in the event of the Seller’s breach or threatened breach of any covenant, obligation or other provision of this Agreement or the SPA, including the performance of the obligations set forth in Article 2 and Section 4.1 of this Agreement. Notwithstanding anything herein to the contrary, Seller hereby agrees that, in the event of any breach or threatened breach by the Seller of any covenant, obligation or other provisions of this Agreement or the SPA, Optionee shall be entitled (in addition to any other remedy that may be available to it, including monetary damages) to obtain (i) a decree or order of specific performance or mandamus to enforce the observance and performance of such covenant, obligation or other provision and (ii) an injunction restraining such breach or threatened breach. The Parties agree that no Party shall be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this Section 7.10, and the Parties irrevocably waive any right they may have to require the obtaining, furnishing or posting of any such bond or similar instrument.

Section 7.11 Confidentiality. Each Party agrees that all documents, materials and other information which it shall have obtained regarding the other Party during the course of the negotiations leading to the execution of this Agreement (whether obtained before or after the Effective Date), the investigation provided for herein and the preparation of this Agreement and other related documents, and all documents, materials and other information which it shall obtain regarding the other Party shall be held in confidence pursuant to the Confidentiality Agreement.

Section 7.12 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, and shall become binding when one or more counterparts have been signed by each of the Parties hereto and delivered to the other Parties. Delivery of an electronically executed counterpart of a signature page to this Agreement shall be as effective as delivery of a manually executed counterpart of this Agreement.

Section 7.13 Severability. In the event that any one or more of the provisions contained in this Agreement or in any other instrument referred to herein, shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Agreement or any other such instrument.

Section 7.14 Headings. The headings of the Articles and Sections herein are inserted for convenience of reference only and are not intended to be a part of or to affect the meaning or interpretation of this Agreement.

Form of Indemnification Agreement
INDEMNIFICATION AGREEMENT

THIS INDEMNIFICATION AGREEMENT (the “Agreement”) is made and entered into as of ____________, 2015 between Laser-Scan Incorporated, a Delaware corporation (the “Company”), Claire Milverton and Mary Brauer-Cox (each, an “Indemnitee”).

WITNESSETH THAT:

WHEREAS, highly competent persons have become more reluctant to serve corporations as directors or in other capacities unless they are provided with adequate protection through insurance or adequate indemnification against inordinate risks of claims and actions against them arising out of their service to and activities on behalf of the corporation;

WHEREAS, the Board of Directors of the Company (the “Board”) has determined that, in order to attract and retain qualified individuals, the Company will attempt to maintain on an ongoing basis, at its sole expense, liability insurance to protect persons serving the Company and its subsidiaries from certain liabilities. Although the furnishing of such insurance has been a customary and widespread practice among United States-based corporations and other business enterprises, the Company believes that, given current market conditions and trends, such insurance may be available to it in the future only at higher premiums and with more exclusions. At the same time, directors, officers, and other persons in service to corporations or business enterprises are being increasingly subjected to expensive and time-consuming litigation relating to, among other things, matters that traditionally would have been brought only against the Company or business enterprise itself. The Amended and Restated Bylaws (the “Bylaws”) and First Amended and Restated Certificate of Incorporation (the “Certificate of Incorporation”) of the Company require indemnification of the officers and directors of the Company. Indemnitee may also be entitled to indemnification pursuant to the General Corporation Law of the State of Delaware (“DGCL”). The Bylaws and Certificate of Incorporation and the DGCL expressly provide that the indemnification provisions set forth therein are not exclusive, and thereby contemplate that contracts may be entered into between the Company and members of the Board, officers and other persons with respect to indemnification;

WHEREAS, the uncertainties relating to such insurance and to indemnification have increased the difficulty of attracting and retaining such persons;

WHEREAS, the Board has determined that the increased difficulty in attracting and retaining such persons is detrimental to the best interests of the Company's stockholders and that the Company should act to assure such persons that there will be increased certainty of such protection in the future;

WHEREAS, it is reasonable, prudent and necessary for the Company contractually to obligate itself to indemnify, and to advance expenses on behalf of, such persons to the fullest extent permitted by applicable law so that they will serve or continue to serve the Company free from undue concern that they will not be so indemnified;

WHEREAS, this Agreement is a supplement to and in furtherance of the Bylaws and Certificate of Incorporation of the Company and any resolutions adopted pursuant thereto, and shall not be deemed a substitute therefor, nor to diminish or abrogate any rights of Indemnitee thereunder; and
WHEREAS, Indemnitee does not regard the protection available under the Company's Bylaws and Certificate of Incorporation and insurance as adequate in the present circumstances, and may not be willing to serve as an officer or director without adequate protection, and the Company desires Indemnitee to serve in such capacity. Indemnitee is willing to serve, continue to serve and to take on additional service for or on behalf of the Company on the condition that he be so indemnified.

NOW, THEREFORE, in consideration of Indemnitee’s agreement to serve as a director from and after the date hereof, the parties hereto agree as follows:

1. **Indemnity of Indemnitee.** The Company hereby agrees to hold harmless and indemnify Indemnitee to the fullest extent permitted by law, as such may be amended from time to time. In furtherance of the foregoing indemnification, and without limiting the generality thereof.

   (a) **Proceedings Other Than Proceedings by or in the Right of the Company.** Indemnitee shall be entitled to the rights of indemnification provided in this Section 1(a) if, by reason of his Corporate Status (as hereinafter defined), the Indemnitee is, or is threatened to be made, a party to or participant in any Proceeding (as hereinafter defined) other than a Proceeding by or in the right of the Company. Pursuant to this Section 1(a), Indemnitee shall be indemnified against all Expenses (as hereinafter defined), judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by him, or on his behalf, in connection with such Proceeding or any claim, issue or matter therein, if the Indemnitee acted in good faith and in a manner the Indemnitee reasonably believed to be in or not opposed to the best interests of the Company, and with respect to any criminal Proceeding, had no reasonable cause to believe the Indemnitee’s conduct was unlawful.

   (b) **Proceedings by or in the Right of the Company.** Indemnitee shall be entitled to the rights of indemnification provided in this Section 1(b) if, by reason of his Corporate Status, the Indemnitee is, or is threatened to be made, a party to or participant in any Proceeding brought by or in the right of the Company. Pursuant to this Section 1(b), Indemnitee shall be indemnified against all Expenses actually and reasonably incurred by the Indemnitee, or on the Indemnitee’s behalf, in connection with such Proceeding if the Indemnitee acted in good faith and in a manner the Indemnitee reasonably believed to be in or not opposed to the best interests of the Company; provided, however, if applicable law so provides, no indemnification against such Expenses shall be made in respect of any claim, issue or matter in such Proceeding as to which Indemnitee shall have been adjudged to be liable to the Company unless and to the extent that the Court of Chancery of the State of Delaware shall determine that such indemnification may be made.

   (c) **Indemnification for Expenses of a Party Who is Wholly or Partly Successful.** Notwithstanding any other provision of this Agreement, to the extent that Indemnitee is, by reason of his Corporate Status, a party to and is successful, on the merits or otherwise, in any Proceeding, he shall be indemnified to the maximum extent permitted by law, as such may be amended from time to time, against all Expenses actually and reasonably incurred by him or on his behalf in connection therewith. If Indemnitee is not wholly successful in such Proceeding but is successful, on the merits or otherwise, as to one or more but less than all claims, issues or matters in such Proceeding, the Company shall indemnify Indemnitee against all Expenses actually and reasonably incurred by him or on his behalf in connection with
each successfully resolved claim, issue or matter. For purposes of this Section and without limitation, the termination of any claim, issue or matter in such a Proceeding by dismissal, with or without prejudice, shall be deemed to be a successful result as to such claim, issue or matter.

2. Additional Indemnity. In addition to, and without regard to any limitations on, the indemnification provided for in Section 1 of this Agreement, the Company shall and hereby does indemnify and hold harmless Indemnitee against all Expenses, judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by him or on his behalf if, by reason of his Corporate Status, he is, or is threatened to be made, a party to or participant in any Proceeding (including a Proceeding by or in the right of the Company), including, without limitation, all liability arising out of the negligence or active or passive wrongdoing of Indemnitee. The only limitation that shall exist upon the Company’s obligations pursuant to this Agreement shall be that the Company shall not be obligated to make any payment to Indemnitee that is finally determined (under the procedures, and subject to the presumptions, set forth in Sections 6 and 7 hereof) to be unlawful.

3. Contribution.

(a) Whether or not the indemnification provided in Sections 1 and 2 hereof is available, in respect of any threatened, pending or completed action, suit or proceeding in which the Company is jointly liable with Indemnitee (or would be if joined in such action, suit or proceeding), the Company shall pay, in the first instance, the entire amount of any judgment or settlement of such action, suit or proceeding without requiring Indemnitee to contribute to such payment and the Company hereby waives and relinquishes any right of contribution it may have against Indemnitee. The Company shall not enter into any settlement of any action, suit or proceeding in which the Company is jointly liable with Indemnitee (or would be if joined in such action, suit or proceeding) unless such settlement provides for a full and final release of all claims asserted against Indemnitee.

(b) Without diminishing or impairing the obligations of the Company set forth in the preceding subparagraph, if, for any reason, Indemnitee shall elect or be required to pay all or any portion of any judgment or settlement in any threatened, pending or completed action, suit or proceeding in which the Company is jointly liable with Indemnitee (or would be if joined in such action, suit or proceeding), the Company shall contribute to the amount of Expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by Indemnitee in proportion to the relative benefits received by the Company and all officers, directors or employees of the Company, other than Indemnitee, who are jointly liable with Indemnitee (or would be if joined in such action, suit or proceeding), on the one hand, and Indemnitee, on the other hand, from the transaction or events from which such action, suit or proceeding arose; provided, however, that the proportion determined on the basis of relative benefit may, to the extent necessary to conform to law, be further adjusted by reference to the relative fault of the Company and all officers, directors or employees of the Company other than Indemnitee who are jointly liable with Indemnitee (or would be if joined in such action, suit or proceeding), on the one hand, and Indemnitee, on the other hand, from the transaction or events that resulted in such expenses, judgments, fines or settlement amounts, as well as any other equitable considerations which applicable law may require to be considered. The relative fault of the Company and all officers, directors or employees of the Company, other than Indemnitee, who are jointly liable with Indemnitee (or would be if joined in such action, suit
or proceeding), on the one hand, and Indemnitee, on the other hand, shall be determined by reference to, among other things, the degree to which their actions were motivated by intent to gain personal profit or advantage, the degree to which their liability is primary or secondary and the degree to which their conduct is active or passive.

(c) The Company hereby agrees to fully indemnify and hold Indemnitee harmless from any claims of contribution which may be brought by officers, directors, or employees of the Company, other than Indemnitee, who may be jointly liable with Indemnitee.

(d) To the fullest extent permissible under applicable law, if the indemnification provided for in this Agreement is unavailable to Indemnitee for any reason whatsoever, the Company, in lieu of indemnifying Indemnitee, shall contribute to the amount incurred by Indemnitee, whether for judgments, fines, penalties, excise taxes, amounts paid or to be paid in settlement and/or for Expenses, in connection with any claim relating to an indemnifiable event under this Agreement, in such proportion as is deemed fair and reasonable in light of all of the circumstances of such Proceeding in order to reflect (i) the relative benefits received by the Company and Indemnitee as a result of the event(s) and/or transaction(s) giving cause to such Proceeding and/or (ii) the relative fault of the Company (and its directors, officers, employees and agents) and Indemnitee in connection with such event(s) and/or transaction(s).

4. Indemnification for Expenses of a Witness. Notwithstanding any other provision of this Agreement, to the extent that Indemnitee is, by reason of his Corporate Status, a witness, or is made (or asked) to respond to discovery requests, in any Proceeding to which Indemnitee is not a party, he shall be indemnified against all Expenses actually and reasonably incurred by him or on his behalf in connection therewith.

5. Advancement of Expenses. Notwithstanding any other provision of this Agreement, the Company shall advance all Expenses incurred by or on behalf of Indemnitee in connection with any Proceeding by reason of Indemnitee’s Corporate Status within thirty (30) days after the receipt by the Company of a statement or statements from Indemnitee requesting such advance or advances from time to time, whether prior to or after final disposition of such Proceeding. Such statement or statements shall reasonably evidence the Expenses incurred by Indemnitee and shall include or be preceded or accompanied by a written undertaking by or on behalf of Indemnitee to repay any Expenses advanced if it shall ultimately be determined that Indemnitee is not entitled to be indemnified against such Expenses. Any advances and undertakings to repay pursuant to this Section 5 shall be unsecured and interest free.

6. Procedures and Presumptions for Determination of Entitlement to Indemnification. It is the intent of this Agreement to secure for Indemnitee rights of indemnity that are as favorable as may be permitted under the DGCL and public policy of the State of Delaware. Accordingly, the parties agree that the following procedures and presumptions shall apply in the event of any question as to whether Indemnitee is entitled to indemnification under this Agreement:

(a) To obtain indemnification under this Agreement, Indemnitee shall submit to the Company a written request, including therein or therewith such documentation and information as is reasonably available to Indemnitee and is reasonably necessary to determine whether and to what extent Indemnitee is entitled to indemnification. The Secretary of the Company shall, promptly upon receipt of such a request for indemnification, advise the Board in
writing that Indemnitee has requested indemnification. Notwithstanding the foregoing, any failure of Indemnitee to provide such a request to the Company, or to provide such a request in a timely fashion, shall not relieve the Company of any liability that it may have to Indemnitee unless, and to the extent that, such failure actually and materially prejudices the interests of the Company.

(b) Upon written request by Indemnitee for indemnification pursuant to the first sentence of Section 6(a) hereof, a determination with respect to Indemnitee’s entitlement thereto shall be made in the specific case by one of the following four methods, which shall be at the election of the Board (1) by a majority vote of the disinterested directors, even though less than a quorum, (2) by a committee of disinterested directors designated by a majority vote of the disinterested directors, even though less than a quorum, (3) if there are no disinterested directors or if the disinterested directors so direct, by independent legal counsel in a written opinion to the Board, a copy of which shall be delivered to the Indemnitee, or (4) if so directed by the Board, by the stockholders of the Company. For purposes hereof, disinterested directors are those members of the Board who are not parties to the action, suit or proceeding in respect of which indemnification is sought by Indemnitee.

(c) If the determination of entitlement to indemnification is to be made by Independent Counsel pursuant to Section 6(b) hereof, the Independent Counsel shall be selected as provided in this Section 6(c). The Independent Counsel shall be selected by the Board. Indemnitee may, within ten (10) days after such written notice of selection shall have been given, deliver to the Company a written objection to such selection; provided, however, that such objection may be asserted only on the ground that the Independent Counsel so selected does not meet the requirements of “Independent Counsel” as defined in Section 13 of this Agreement, and the objection shall set forth with particularity the factual basis of such assertion. Absent a proper and timely objection, the person so selected shall act as Independent Counsel. If a written objection is made and substantiated, the Independent Counsel selected may not serve as Independent Counsel unless and until such objection is withdrawn or a court has determined that such objection is without merit. If, within twenty (20) days after submission by Indemnitee of a written request for indemnification pursuant to Section 6(a) hereof, no Independent Counsel shall have been selected and not objected to, either the Company or Indemnitee may petition the Court of Chancery of the State of Delaware or other court of competent jurisdiction for resolution of any objection which shall have been made by the Indemnitee to the Company’s selection of Independent Counsel and/or for the appointment as Independent Counsel of a person selected by the court or by such other person as the court shall designate, and the person with respect to whom all objections are so resolved or the person so appointed shall act as Independent Counsel under Section 6(b) hereof. The Company shall pay any and all reasonable fees and expenses of Independent Counsel incurred by such Independent Counsel in connection with acting pursuant to Section 6(b) hereof, and the Company shall pay all reasonable fees and expenses incident to the procedures of this Section 6(c), regardless of the manner in which such Independent Counsel was selected or appointed.

(d) In making a determination with respect to entitlement to indemnification hereunder, the person or persons or entity making such determination shall presume that Indemnitee is entitled to indemnification under this Agreement. Anyone seeking to overcome this presumption shall have the burden of proof and the burden of persuasion by clear and convincing evidence. Neither the failure of the Company (including by its directors or
independent legal counsel) to have made a determination prior to the commencement of any action pursuant to this Agreement that indemnification is proper in the circumstances because Indemnitee has met the applicable standard of conduct, nor an actual determination by the Company (including by its directors or independent legal counsel) that Indemnitee has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that Indemnitee has not met the applicable standard of conduct.

(e) Indemnitee shall be deemed to have acted in good faith if Indemnitee’s action is based on the records or books of account of the Enterprise (as hereinafter defined), including financial statements, or on information supplied to Indemnitee by the officers of the Enterprise in the course of their duties, or on the advice of legal counsel for the Enterprise or on information or reports given or reports made to the Enterprise by an independent certified public accountant or by an appraiser or other expert selected with reasonable care by the Enterprise. In addition, the knowledge and/or actions, or failure to act, of any director, officer, agent or employee of the Enterprise shall not be imputed to Indemnitee for purposes of determining the right to indemnification under this Agreement. Whether or not the foregoing provisions of this Section 6(e) are satisfied, it shall in any event be presumed that Indemnitee has at all times acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company. Anyone seeking to overcome this presumption shall have the burden of proof and the burden of persuasion by clear and convincing evidence.

(f) If the person, persons or entity empowered or selected under Section 6 to determine whether Indemnitee is entitled to indemnification shall not have made a determination within sixty (60) days after receipt by the Company of the request therefor, the requisite determination of entitlement to indemnification shall be deemed to have been made and Indemnitee shall be entitled to such indemnification absent (i) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee’s statement not materially misleading, in connection with the request for indemnification, or (ii) a prohibition of such indemnification under applicable law; provided, however, that such sixty (60) day period may be extended for a reasonable time, not to exceed an additional thirty (30) days, if the person, persons or entity making such determination with respect to entitlement to indemnification in good faith requires such additional time to obtain or evaluate documentation and/or information relating thereto; and provided further, that the foregoing provisions of this Section 6(f) shall not apply if the determination of entitlement to indemnification is to be made by the stockholders pursuant to Section 6(b) of this Agreement and if (A) within fifteen (15) days after receipt by the Company of the request for such determination, the Board or the Disinterested Directors, if appropriate, resolve to submit such determination to the stockholders for their consideration at an annual meeting thereof to be held within seventy five (75) days after such receipt and such determination is made thereat, or (B) a special meeting of stockholders is called within fifteen (15) days after such receipt for the purpose of making such determination, such meeting is held for such purpose within sixty (60) days after having been so called and such determination is made thereat.

(g) Indemnitee shall cooperate with the person, persons or entity making such determination with respect to Indemnitee’s entitlement to indemnification, including providing to such person, persons or entity upon reasonable advance request any documentation or information which is not privileged or otherwise protected from disclosure and which is reasonably available to Indemnitee and reasonably necessary to such determination. Any
Independent Counsel, member of the Board or stockholder of the Company shall act reasonably and in good faith in making a determination regarding the Indemnitee’s entitlement to indemnification under this Agreement. Any costs or expenses (including attorneys’ fees and disbursements) incurred by Indemnitee in so cooperating with the person, persons or entity making such determination shall be borne by the Company (irrespective of the determination as to Indemnitee’s entitlement to indemnification) and the Company hereby indemnifies and agrees to hold Indemnitee harmless therefrom.

(h) The Company acknowledges that a settlement or other disposition short of final judgment may be successful if it permits a party to avoid expense, delay, distraction, disruption and uncertainty. In the event that any action, claim or proceeding to which Indemnitee is a party is resolved in any manner other than by adverse judgment against Indemnitee (including, without limitation, settlement of such action, claim or proceeding with or without payment of money or other consideration) it shall be presumed that Indemnitee has been successful on the merits or otherwise in such action, suit or proceeding. Anyone seeking to overcome this presumption shall have the burden of proof and the burden of persuasion by clear and convincing evidence.

(i) The termination of any Proceeding or of any claim, issue or matter therein, by judgment, order, settlement or conviction, or upon a plea of nolo contendere or its equivalent, shall not (except as otherwise expressly provided in this Agreement) of itself adversely affect the right of Indemnitee to indemnification or create a presumption that Indemnitee did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Company or, with respect to any criminal Proceeding, that Indemnitee had reasonable cause to believe that his conduct was unlawful.

7. Remedies of Indemnitee.

(a) In the event that (i) a determination is made pursuant to Section 6 of this Agreement that Indemnitee is not entitled to indemnification under this Agreement, (ii) advancement of Expenses is not timely made pursuant to Section 5 of this Agreement, (iii) no determination of entitlement to indemnification is made pursuant to Section 6(b) of this Agreement within ninety (90) days after receipt by the Company of the request for indemnification, (iv) payment of indemnification is not made pursuant to this Agreement within ten (10) days after receipt by the Company of a written request therefor, or (v) payment of indemnification is not made within ten (10) days after a determination has been made that Indemnitee is entitled to indemnification or such determination is deemed to have been made pursuant to Section 6 of this Agreement, Indemnitee shall be entitled to an adjudication in an appropriate court of the State of Delaware, or in any other court of competent jurisdiction, of Indemnitee’s entitlement to such indemnification. Indemnitee shall commence such proceeding seeking an adjudication within one hundred eighty (180) days following the date on which Indemnitee first has the right to commence such proceeding pursuant to this Section 7(a). The Company shall not oppose Indemnitee’s right to seek any such adjudication.

(b) In the event that a determination shall have been made pursuant to Section 6(b) of this Agreement that Indemnitee is not entitled to indemnification, any judicial proceeding commenced pursuant to this Section 7 shall be conducted in all respects as a de novo trial on the merits, and Indemnitee shall not be prejudiced by reason of the adverse determination under Section 6(b).
(c) If a determination shall have been made pursuant to Section 6(b) of this Agreement that Indemnitee is entitled to indemnification, the Company shall be bound by such determination in any judicial proceeding commenced pursuant to this Section 7, absent (i) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee’s misstatement not materially misleading in connection with the application for indemnification, or (ii) a prohibition of such indemnification under applicable law.

(d) In the event that Indemnitee, pursuant to this Section 7, seeks a judicial adjudication of his rights under, or to recover damages for breach of, this Agreement, or to recover under any directors’ and officers’ liability insurance policies maintained by the Company, the Company shall pay on his behalf, in advance, any and all expenses (of the types described in the definition of Expenses in Section 13 of this Agreement) actually and reasonably incurred by him in such judicial adjudication, regardless of whether Indemnitee ultimately is determined to be entitled to such indemnification, advancement of expenses or insurance recovery.

(e) The Company shall be precluded from asserting in any judicial proceeding commenced pursuant to this Section 7 that the procedures and presumptions of this Agreement are not valid, binding and enforceable and shall stipulate in any such court that the Company is bound by all the provisions of this Agreement. The Company shall indemnify Indemnitee against any and all Expenses and, if requested by Indemnitee, shall (within ten (10) days after receipt by the Company of a written request therefore) advance, to the extent not prohibited by law, such expenses to Indemnitee, which are incurred by Indemnitee in connection with any action brought by Indemnitee for indemnification or advance of Expenses from the Company under this Agreement or under any directors' and officers' liability insurance policies maintained by the Company, regardless of whether Indemnitee ultimately is determined to be entitled to such indemnification, advancement of Expenses or insurance recovery, as the case may be.

(f) Notwithstanding anything in this Agreement to the contrary, no determination as to entitlement to indemnification under this Agreement shall be required to be made prior to the final disposition of the Proceeding.

8. Non-Exclusivity; Survival of Rights; Insurance; Primacy of Indemnification; Subrogation.

(a) The rights of indemnification as provided by this Agreement shall not be deemed exclusive of any other rights to which Indemnitee may at any time be entitled under applicable law, the Certificate of Incorporation, the By-laws, any agreement, a vote of stockholders, a resolution of directors of the Company, or otherwise. No amendment, alteration or repeal of this Agreement or of any provision hereof shall limit or restrict any right of Indemnitee under this Agreement in respect of any action taken or omitted by such Indemnitee in his Corporate Status prior to such amendment, alteration or repeal. To the extent that a change in the DGCL, whether by statute or judicial decision, permits greater indemnification than would be afforded currently under the Certificate of Incorporation, By-laws and this Agreement, it is the intent of the parties hereto that Indemnitee shall enjoy by this Agreement the greater benefits so afforded by such change. No right or remedy herein conferred is intended to be exclusive of any other right or remedy, and every other right and remedy shall be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or
otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other right or remedy.

(b) To the extent that the Company maintains an insurance policy or policies providing liability insurance for directors, officers, employees, or agents or fiduciaries of the Company or of any other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise that such person serves at the request of the Company, Indemnitee shall be covered by such policy or policies in accordance with its or their terms to the maximum extent of the coverage available for any director, officer, employee, agent or fiduciary under such policy or policies. If, at the time of the receipt of a notice of a claim pursuant to the terms hereof, the Company has directors' and officers' liability insurance in effect, the Company shall give prompt notice of the commencement of such proceeding to the insurers in accordance with the procedures set forth in the respective policies. The Company shall thereafter take all necessary or desirable action to cause such insurers to pay, on behalf of the Indemnitee, all amounts payable as a result of such proceeding in accordance with the terms of such policies.

(c) In the event of any payment under this Agreement, the Company shall be subrogated to the extent of such payment to all of the rights of recovery of Indemnitee (other than against the Fund Indemnitors), who shall execute all papers required and take all action necessary to secure such rights, including execution of such documents as are necessary to enable the Company to bring suit to enforce such rights.

(d) The Company shall not be liable under this Agreement to make any payment of amounts otherwise indemnifiable hereunder if and to the extent that Indemnitee has otherwise actually received such payment under any insurance policy, contract, agreement or otherwise.

(e) The Company's obligation to indemnify or advance Expenses hereunder to Indemnitee who is or was serving at the request of the Company as a director, officer, employee or agent of any other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise shall be reduced by any amount Indemnitee has actually received as indemnification or advancement of expenses from such other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise.

9. Exception to Right of Indemnification. Notwithstanding any provision in this Agreement, the Company shall not be obligated under this Agreement to make any indemnity in connection with any claim made against Indemnitee:

(a) for which payment has actually been made to or on behalf of Indemnitee under any insurance policy or other indemnity provision, except with respect to any excess beyond the amount paid under any insurance policy or other indemnity provision, provided, that the foregoing shall not affect the rights of Indemnitee or the Fund Indemnitors set forth in Section 8(c) above; or

(b) for an accounting of profits made from the purchase and sale (or sale and purchase) by Indemnitee of securities of the Company within the meaning of Section 16(b) of the Securities Exchange Act of 1934, as amended, or similar provisions of state statutory law or common law; or
(c) in connection with any Proceeding (or any part of any Proceeding) initiated by Indemnitee, including any Proceeding (or any part of any Proceeding) initiated by Indemnitee against the Company or its directors, officers, employees or other indemnitees, unless (i) the Board authorized the Proceeding (or any part of any Proceeding) prior to its initiation, or (ii) the Company provides the indemnification, in its sole discretion, pursuant to the powers vested in the Company under applicable law.

10. Duration of Agreement. All agreements and obligations of the Company contained herein shall continue during the period Indemnitee is an officer or director of the Company (or is or was serving at the request of the Company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise) and for six (6) years thereafter and shall continue thereafter so long as Indemnitee shall be subject to any Proceeding (or any proceeding commenced under Section 7 hereof) by reason of his Corporate Status, whether or not he is acting or serving in any such capacity at the time any liability or expense is incurred for which indemnification can be provided under this Agreement. This Agreement shall be binding upon and inure to the benefit of and be enforceable by the parties hereto and their respective successors (including any direct or indirect successor by purchase, merger, consolidation or otherwise to all or substantially all of the business or assets of the Company), assigns, spouses, heirs, executors and personal and legal representatives.

11. Security. To the extent requested by Indemnitee and approved by the Board, the Company may at any time and from time to time provide security to Indemnitee for the Company’s obligations hereunder through an irrevocable bank line of credit, funded trust or other collateral. Any such security, once provided to Indemnitee, may not be revoked or released without the prior written consent of the Indemnitee.

12. Enforcement.

(a) The Company expressly confirms and agrees that it has entered into this Agreement and assumes the obligations imposed on it hereby in order to induce Indemnitee to serve as an officer or director of the Company, and the Company acknowledges that Indemnitee is relying upon this Agreement in serving as an officer or director of the Company.

(b) This Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and understandings, oral, written and implied, between the parties hereto with respect to the subject matter hereof.

(c) The Company shall not seek from a court, or agree to, a "bar order" which would have the effect of prohibiting or limiting the Indemnitee's rights to receive advancement of expenses under this Agreement.

13. Definitions. For purposes of this Agreement:

(a) “Corporate Status” describes the status of a person who is or was a director, officer, employee, agent or fiduciary of the Company or of any other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise that such person is or was serving at the express written request of the Company.
(b) “Disinterested Director” means a director of the Company who is not and was not a party to the Proceeding in respect of which indemnification is sought by Indemnitee.

(c) “Enterprise” shall mean the Company and any other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise that Indemnitee is or was serving at the express written request of the Company as a director, officer, employee, agent or fiduciary.

(d) “Expenses” shall include all reasonable attorneys’ fees, retainers, court costs, transcript costs, fees of experts, witness fees, travel expenses, duplicating costs, printing and binding costs, telephone charges, postage, delivery service fees and all other disbursements or expenses of the types customarily incurred in connection with prosecuting, defending, preparing to prosecute or defend, investigating, participating, or being or preparing to be a witness in a Proceeding, or responding to, or objecting to, a request to provide discovery in any Proceeding. Expenses also shall include Expenses incurred in connection with any appeal resulting from any Proceeding, including without limitation the premium, security for, and other costs relating to any cost bond, supersedeas bond, or other appeal bond or its equivalent and, for purposes of Section 7(e) only, Expenses incurred by Indemnitee in connection with the interpretation, enforcement or defense of Indemnitee’s rights under this Agreement by litigation or otherwise. Expenses, however, shall not include amounts paid in settlement by Indemnitee or the amount of judgments or fines against Indemnitee.

(e) “Independent Counsel” means a law firm, or a member of a law firm, that is experienced in matters of corporation law and neither presently is, nor in the past five years has been, retained to represent (i) the Company or Indemnitee in any matter material to either such party (other than with respect to matters concerning Indemnitee under this Agreement, or of other indemnitees under similar indemnification agreements), or (ii) any other party to the Proceeding giving rise to a claim for indemnification hereunder. Notwithstanding the foregoing, the term “Independent Counsel” shall not include any person who, under the applicable standards of professional conduct then prevailing, would have a conflict of interest in representing either the Company or Indemnitee in an action to determine Indemnitee’s rights under this Agreement. The Company agrees to pay the reasonable fees of the Independent Counsel referred to above and to fully indemnify such counsel against any and all Expenses, claims, liabilities and damages arising out of or relating to this Agreement or its engagement pursuant hereto.

(f) “Proceeding” includes any threatened, pending or completed action, suit, arbitration, alternate dispute resolution mechanism, investigation, inquiry, administrative hearing or any other actual, threatened or completed proceeding, whether brought by or in the right of the Company or otherwise and whether civil, criminal, administrative or investigative, in which Indemnitee was, is or will be involved as a party or otherwise, by reason of his or her Corporate Status, by reason of any action taken by him or of any inaction on his part while acting in his or her Corporate Status; in each case whether or not he is acting or serving in any such capacity at the time any liability or expense is incurred for which indemnification can be provided under this Agreement; including one pending on or before the date of this Agreement, but excluding one initiated by an Indemnitee pursuant to Section 7 of this Agreement to enforce his rights under this Agreement.
14. **Severability.** The invalidity or unenforceability of any provision hereof shall in no way affect the validity or enforceability of any other provision. Without limiting the generality of the foregoing, this Agreement is intended to confer upon Indemnitee indemnification rights to the fullest extent permitted by applicable laws. In the event any provision hereof conflicts with any applicable law, such provision shall be deemed modified, consistent with the aforementioned intent, to the extent necessary to resolve such conflict.

15. **Modification and Waiver.** No supplement, modification, termination or amendment of this Agreement shall be binding unless executed in writing by both of the parties hereto. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provisions hereof (whether or not similar) nor shall such waiver constitute a continuing waiver.

16. **Notice By Indemnitee.** Indemnitee agrees promptly to notify the Company in writing upon being served with or otherwise receiving any summons, citation, subpoena, complaint, indictment, information or other document relating to any Proceeding or matter which may be subject to indemnification covered hereunder. The failure to so notify the Company shall not relieve the Company of any obligation which it may have to Indemnitee under this Agreement or otherwise unless and only to the extent that such failure or delay materially prejudices the Company.

17. **Notices.** All notices and other communications given or made pursuant to this Agreement shall be in writing and shall be deemed effectively given (a) upon personal delivery to the party to be notified, (b) when sent by confirmed facsimile if sent during normal business hours of the recipient, and if not so confirmed, then on the next business day, (c) five (5) days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (d) one (1) day after deposit with a nationally recognized overnight courier, specifying next day delivery, with written verification of receipt. All communications shall be sent:

(a) To Indemnitee at the address set forth below Indemnitee signature hereto.

(b) To the Company at:

   Laser-Scan Incorporated  
   45945 Center Oak Plaza  
   Suite 190  
   Sterling, VA 20166  
   Attention: President

or to such other address as may have been furnished to Indemnitee by the Company or to the Company by Indemnitee, as the case may be.

18. **Counterparts.** This Agreement may be executed in two (2) or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same the same instrument. Counterparts may be delivered via facsimile, electronic mail (including pdf or any electronic signature complying with the U.S. federal ESIGN Act of 2000, e.g., www.docusign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.
19. **Headings.** The headings of the paragraphs of this Agreement are inserted for convenience only and shall not be deemed to constitute part of this Agreement or to affect the construction thereof.

20. **Governing Law and Consent to Jurisdiction.** This Agreement and the legal relations among the parties shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware, without regard to its conflict of laws rules. The Company and Indemnitee hereby irrevocably and unconditionally (i) agree that any action or proceeding arising out of or in connection with this Agreement shall be brought only in the Chancery Court of the State of Delaware (the "**Delaware Court**"), and not in any other state or federal court in the United States of America or any court in any other country, (ii) consent to submit to the exclusive jurisdiction of the Delaware Court for purposes of any action or proceeding arising out of or in connection with this Agreement, (iii) waive any objection to the laying of venue of any such action or proceeding in the Delaware Court, and (iv) waive, and agree not to plead or to make, any claim that any such action or proceeding brought in the Delaware Court has been brought in an improper or inconvenient forum.

TENTH: No director shall be personally liable to the Corporation or its stockholders for monetary damages for any breach of fiduciary duty by such director as a director. Notwithstanding the foregoing sentence, a director shall be liable to the extent provided by applicable law (i) for breach of the director's duty of loyalty to the Corporation or its stockholders; (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (iii) pursuant to Section 174 of the Delaware General Corporation Law; or (iv) for any transaction from which the director derived an improper personal benefit. No amendment to or repeal of this Article TENTH shall apply to or have any effect on the liability or alleged liability of any director of the Corporation for or with respect to any acts or omissions of such director occurring prior to such amendment.

EXHIBIT C

Form of Indemnification Agreement
INDEMNIFICATION AGREEMENT

THIS INDEMNIFICATION AGREEMENT (the “Agreement”) is made and entered into as of __________, 2015 between Laser-Scan Incorporated, a Delaware corporation (the “Company”), Claire Milverton and Mary Brauer-Cox (each, an “Indemnitee”).

WITNESSETH THAT:

WHEREAS, highly competent persons have become more reluctant to serve corporations as directors or in other capacities unless they are provided with adequate protection through insurance or adequate indemnification against inordinate risks of claims and actions against them arising out of their service to and activities on behalf of the corporation;

WHEREAS, the Board of Directors of the Company (the “Board”) has determined that, in order to attract and retain qualified individuals, the Company will attempt to maintain on an ongoing basis, at its sole expense, liability insurance to protect persons serving the Company and its subsidiaries from certain liabilities. Although the furnishing of such insurance has been a customary and widespread practice among United States-based corporations and other business enterprises, the Company believes that, given current market conditions and trends, such insurance may be available to it in the future only at higher premiums and with more exclusions. At the same time, directors, officers, and other persons in service to corporations or business enterprises are being increasingly subjected to expensive and time-consuming litigation relating to, among other things, matters that traditionally would have been brought only against the Company or business enterprise itself. The Amended and Restated Bylaws (the “Bylaws”) and First Amended and Restated Certificate of Incorporation (the “Certificate of Incorporation”) of the Company require indemnification of the officers and directors of the Company. Indemnitee may also be entitled to indemnification pursuant to the General Corporation Law of the State of Delaware (“DGCL”). The Bylaws and Certificate of Incorporation and the DGCL expressly provide that the indemnification provisions set forth therein are not exclusive, and thereby contemplate that contracts may be entered into between the Company and members of the Board, officers and other persons with respect to indemnification;

WHEREAS, the uncertainties relating to such insurance and to indemnification have increased the difficulty of attracting and retaining such persons;

WHEREAS, the Board has determined that the increased difficulty in attracting and retaining such persons is detrimental to the best interests of the Company's stockholders and that the Company should act to assure such persons that there will be increased certainty of such protection in the future;

WHEREAS, it is reasonable, prudent and necessary for the Company contractually to obligate itself to indemnify, and to advance expenses on behalf of, such persons to the fullest extent permitted by applicable law so that they will serve or continue to serve the Company free from undue concern that they will not be so indemnified;

WHEREAS, this Agreement is a supplement to and in furtherance of the Bylaws and Certificate of Incorporation of the Company and any resolutions adopted pursuant thereto, and shall not be deemed a substitute therefor, nor to diminish or abrogate any rights of Indemnitee thereunder; and
WHEREAS, Indemnitee does not regard the protection available under the Company's Bylaws and Certificate of Incorporation and insurance as adequate in the present circumstances, and may not be willing to serve as an officer or director without adequate protection, and the Company desires Indemnitee to serve in such capacity. Indemnitee is willing to serve, continue to serve and to take on additional service for or on behalf of the Company on the condition that he be so indemnified.

NOW, THEREFORE, in consideration of Indemnitee’s agreement to serve as a director from and after the date hereof, the parties hereto agree as follows:

1. **Indemnity of Indemnitee.** The Company hereby agrees to hold harmless and indemnify Indemnitee to the fullest extent permitted by law, as such may be amended from time to time. In furtherance of the foregoing indemnification, and without limiting the generality thereof.

   (a) **Proceedings Other Than Proceedings by or in the Right of the Company.** Indemnitee shall be entitled to the rights of indemnification provided in this Section 1(a) if, by reason of his Corporate Status (as hereinafter defined), the Indemnitee is, or is threatened to be made, a party to or participant in any Proceeding (as hereinafter defined) other than a Proceeding by or in the right of the Company. Pursuant to this Section 1(a), Indemnitee shall be indemnified against all Expenses (as hereinafter defined), judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by him, or on his behalf, in connection with such Proceeding or any claim, issue or matter therein, if the Indemnitee acted in good faith and in a manner the Indemnitee reasonably believed to be in or not opposed to the best interests of the Company, and with respect to any criminal Proceeding, had no reasonable cause to believe the Indemnitee’s conduct was unlawful.

   (b) **Proceedings by or in the Right of the Company.** Indemnitee shall be entitled to the rights of indemnification provided in this Section 1(b) if, by reason of his Corporate Status, the Indemnitee is, or is threatened to be made, a party to or participant in any Proceeding brought by or in the right of the Company. Pursuant to this Section 1(b), Indemnitee shall be indemnified against all Expenses actually and reasonably incurred by the Indemnitee, or on the Indemnitee’s behalf, in connection with such Proceeding if the Indemnitee acted in good faith and in a manner the Indemnitee reasonably believed to be in or not opposed to the best interests of the Company; provided, however, if applicable law so provides, no indemnification against such Expenses shall be made in respect of any claim, issue or matter in such Proceeding as to which Indemnitee shall have been adjudged to be liable to the Company unless and to the extent that the Court of Chancery of the State of Delaware shall determine that such indemnification may be made.

   (c) **Indemnification for Expenses of a Party Who is Wholly or Partly Successful.** Notwithstanding any other provision of this Agreement, to the extent that Indemnitee is, by reason of his Corporate Status, a party to and is successful, on the merits or otherwise, in any Proceeding, he shall be indemnified to the maximum extent permitted by law, as such may be amended from time to time, against all Expenses actually and reasonably incurred by him or on his behalf in connection therewith. If Indemnitee is not wholly successful in such Proceeding but is successful, on the merits or otherwise, as to one or more but less than all claims, issues or matters in such Proceeding, the Company shall indemnify Indemnitee against all Expenses actually and reasonably incurred by him or on his behalf in connection with
each successfully resolved claim, issue or matter. For purposes of this Section and without limitation, the termination of any claim, issue or matter in such a Proceeding by dismissal, with or without prejudice, shall be deemed to be a successful result as to such claim, issue or matter.

2. Additional Indemnity. In addition to, and without regard to any limitations on, the indemnification provided for in Section 1 of this Agreement, the Company shall and hereby does indemnify and hold harmless Indemnitee against all Expenses, judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by him or on his behalf if, by reason of his Corporate Status, he is, or is threatened to be made, a party to or participant in any Proceeding (including a Proceeding by or in the right of the Company), including, without limitation, all liability arising out of the negligence or active or passive wrongdoing of Indemnitee. The only limitation that shall exist upon the Company’s obligations pursuant to this Agreement shall be that the Company shall not be obligated to make any payment to Indemnitee that is finally determined (under the procedures, and subject to the presumptions, set forth in Sections 6 and 7 hereof) to be unlawful.

3. Contribution.

(a) Whether or not the indemnification provided in Sections 1 and 2 hereof is available, in respect of any threatened, pending or completed action, suit or proceeding in which the Company is jointly liable with Indemnitee (or would be if joined in such action, suit or proceeding), the Company shall pay, in the first instance, the entire amount of any judgment or settlement of such action, suit or proceeding without requiring Indemnitee to contribute to such payment and the Company hereby waives and relinquishes any right of contribution it may have against Indemnitee. The Company shall not enter into any settlement of any action, suit or proceeding in which the Company is jointly liable with Indemnitee (or would be if joined in such action, suit or proceeding) unless such settlement provides for a full and final release of all claims asserted against Indemnitee.

(b) Without diminishing or impairing the obligations of the Company set forth in the preceding subparagraph, if, for any reason, Indemnitee shall elect or be required to pay all or any portion of any judgment or settlement in any threatened, pending or completed action, suit or proceeding in which the Company is jointly liable with Indemnitee (or would be if joined in such action, suit or proceeding), the Company shall contribute to the amount of Expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by Indemnitee in proportion to the relative benefits received by the Company and all officers, directors or employees of the Company, other than Indemnitee, who are jointly liable with Indemnitee (or would be if joined in such action, suit or proceeding), on the one hand, and Indemnitee, on the other hand, from the transaction or events from which such action, suit or proceeding arose; provided, however, that the proportion determined on the basis of relative benefit may, to the extent necessary to conform to law, be further adjusted by reference to the relative fault of the Company and all officers, directors or employees of the Company other than Indemnitee who are jointly liable with Indemnitee (or would be if joined in such action, suit or proceeding), on the one hand, and Indemnitee, on the other hand, in connection with the transaction or events that resulted in such expenses, judgments, fines or settlement amounts, as well as any other equitable considerations which applicable law may require to be considered. The relative fault of the Company and all officers, directors or employees of the Company, other than Indemnitee, who are jointly liable with Indemnitee (or would be if joined in such action, suit
or proceeding), on the one hand, and Indemnitee, on the other hand, shall be determined by reference to, among other things, the degree to which their actions were motivated by intent to gain personal profit or advantage, the degree to which their liability is primary or secondary and the degree to which their conduct is active or passive.

(c) The Company hereby agrees to fully indemnify and hold Indemnitee harmless from any claims of contribution which may be brought by officers, directors, or employees of the Company, other than Indemnitee, who may be jointly liable with Indemnitee.

(d) To the fullest extent permissible under applicable law, if the indemnification provided for in this Agreement is unavailable to Indemnitee for any reason whatsoever, the Company, in lieu of indemnifying Indemnitee, shall contribute to the amount incurred by Indemnitee, whether for judgments, fines, penalties, excise taxes, amounts paid or to be paid in settlement and/or for Expenses, in connection with any claim relating to an indemnifiable event under this Agreement, in such proportion as is deemed fair and reasonable in light of all of the circumstances of such Proceeding in order to reflect (i) the relative benefits received by the Company and Indemnitee as a result of the event(s) and/or transaction(s) giving cause to such Proceeding and/or (ii) the relative fault of the Company (and its directors, officers, employees and agents) and Indemnitee in connection with such event(s) and/or transaction(s).

4. Indemnification for Expenses of a Witness. Notwithstanding any other provision of this Agreement, to the extent that Indemnitee is, by reason of his Corporate Status, a witness, or is made (or asked) to respond to discovery requests, in any Proceeding to which Indemnitee is not a party, he shall be indemnified against all Expenses actually and reasonably incurred by him or on his behalf in connection therewith.

5. Advancement of Expenses. Notwithstanding any other provision of this Agreement, the Company shall advance all Expenses incurred by or on behalf of Indemnitee in connection with any Proceeding by reason of Indemnitee’s Corporate Status within thirty (30) days after the receipt by the Company of a statement or statements from Indemnitee requesting such advance or advances from time to time, whether prior to or after final disposition of such Proceeding. Such statement or statements shall reasonably evidence the Expenses incurred by Indemnitee and shall include or be preceded or accompanied by a written undertaking by or on behalf of Indemnitee to repay any Expenses advanced if it shall ultimately be determined that Indemnitee is not entitled to be indemnified against such Expenses. Any advances and undertakings to repay pursuant to this Section 5 shall be unsecured and interest free.

6. Procedures and Presumptions for Determination of Entitlement to Indemnification. It is the intent of this Agreement to secure for Indemnitee rights of indemnity that are as favorable as may be permitted under the DGCL and public policy of the State of Delaware. Accordingly, the parties agree that the following procedures and presumptions shall apply in the event of any question as to whether Indemnitee is entitled to indemnification under this Agreement:

(a) To obtain indemnification under this Agreement, Indemnitee shall submit to the Company a written request, including therein or therewith such documentation and information as is reasonably available to Indemnitee and is reasonably necessary to determine whether and to what extent Indemnitee is entitled to indemnification. The Secretary of the Company shall, promptly upon receipt of such a request for indemnification, advise the Board in
writing that Indemnitee has requested indemnification. Notwithstanding the foregoing, any failure of Indemnitee to provide such a request to the Company, or to provide such a request in a timely fashion, shall not relieve the Company of any liability that it may have to Indemnitee unless, and to the extent that, such failure actually and materially prejudices the interests of the Company.

(b) Upon written request by Indemnitee for indemnification pursuant to the first sentence of Section 6(a) hereof, a determination with respect to Indemnitee’s entitlement thereto shall be made in the specific case by one of the following four methods, which shall be at the election of the Board: (1) by a majority vote of the disinterested directors, even though less than a quorum, (2) by a committee of disinterested directors designated by a majority vote of the disinterested directors, even though less than a quorum, (3) if there are no disinterested directors or if the disinterested directors so direct, by independent legal counsel in a written opinion to the Board, a copy of which shall be delivered to the Indemnitee, or (4) if so directed by the Board, by the stockholders of the Company. For purposes hereof, disinterested directors are those members of the Board who are not parties to the action, suit or proceeding in respect of which indemnification is sought by Indemnitee.

(c) If the determination of entitlement to indemnification is to be made by Independent Counsel pursuant to Section 6(b) hereof, the Independent Counsel shall be selected as provided in this Section 6(c). The Independent Counsel shall be selected by the Board. Indemnitee may, within ten (10) days after such written notice of selection shall have been given, deliver to the Company a written objection to such selection; provided, however, that such objection may be asserted only on the ground that the Independent Counsel so selected does not meet the requirements of “Independent Counsel” as defined in Section 13 of this Agreement, and the objection shall set forth with particularity the factual basis of such assertion. Absent a proper and timely objection, the person so selected shall act as Independent Counsel. If a written objection is made and substantiated, the Independent Counsel selected may not serve as Independent Counsel unless and until such objection is withdrawn or a court has determined that such objection is without merit. If, within twenty (20) days after submission by Indemnitee of a written request for indemnification pursuant to Section 6(a) hereof, no Independent Counsel shall have been selected and not objected to, either the Company or Indemnitee may petition the Court of Chancery of the State of Delaware or other court of competent jurisdiction for resolution of any objection which shall have been made by the Indemnitee to the Company’s selection of Independent Counsel and/or for the appointment as Independent Counsel of a person selected by the court or by such other person as the court shall designate, and the person with respect to whom all objections are so resolved or the person so appointed shall act as Independent Counsel under Section 6(b) hereof. The Company shall pay any and all reasonable fees and expenses of Independent Counsel incurred by such Independent Counsel in connection with acting pursuant to Section 6(b) hereof, and the Company shall pay all reasonable fees and expenses incident to the procedures of this Section 6(c), regardless of the manner in which such Independent Counsel was selected or appointed.

(d) In making a determination with respect to entitlement to indemnification hereunder, the person or persons or entity making such determination shall presume that Indemnitee is entitled to indemnification under this Agreement. Anyone seeking to overcome this presumption shall have the burden of proof and the burden of persuasion by clear and convincing evidence. Neither the failure of the Company (including by its directors or
independent legal counsel) to have made a determination prior to the commencement of any action pursuant to this Agreement that indemnification is proper in the circumstances because Indemnitee has met the applicable standard of conduct, nor an actual determination by the Company (including by its directors or independent legal counsel) that Indemnitee has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that Indemnitee has not met the applicable standard of conduct.

(e) Indemnitee shall be deemed to have acted in good faith if Indemnitee’s action is based on the records or books of account of the Enterprise (as hereinafter defined), including financial statements, or on information supplied to Indemnitee by the officers of the Enterprise in the course of their duties, or on the advice of legal counsel for the Enterprise or on information or records given or reports made to the Enterprise by an independent certified public accountant or by an appraiser or other expert selected with reasonable care by the Enterprise. In addition, the knowledge and/or actions, or failure to act, of any director, officer, agent or employee of the Enterprise shall not be imputed to Indemnitee for purposes of determining the right to indemnification under this Agreement. Whether or not the foregoing provisions of this Section 6(e) are satisfied, it shall in any event be presumed that Indemnitee has at all times acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company. Anyone seeking to overcome this presumption shall have the burden of proof and the burden of persuasion by clear and convincing evidence.

(f) If the person, persons or entity empowered or selected under Section 6 to determine whether Indemnitee is entitled to indemnification shall not have made a determination within sixty (60) days after receipt by the Company of the request therefor, the requisite determination of entitlement to indemnification shall be deemed to have been made and Indemnitee shall be entitled to such indemnification absent (i) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee’s statement not materially misleading, in connection with the request for indemnification, or (ii) a prohibition of such indemnification under applicable law; provided, however, that such sixty (60) day period may be extended for a reasonable time, not to exceed an additional thirty (30) days, if the person, persons or entity making such determination with respect to entitlement to indemnification in good faith requires such additional time to obtain or evaluate documentation and/or information relating thereto; and provided further, that the foregoing provisions of this Section 6(f) shall not apply if the determination of entitlement to indemnification is to be made by the stockholders pursuant to Section 6(b) of this Agreement and if (A) within fifteen (15) days after receipt by the Company of the request for such determination, the Board or the Disinterested Directors, if appropriate, resolve to submit such determination to the stockholders for their consideration at an annual meeting thereof to be held within seventy five (75) days after such receipt and such determination is made thereat, or (B) a special meeting of stockholders is called within fifteen (15) days after such receipt for the purpose of making such determination, such meeting is held for such purpose within sixty (60) days after having been so called and such determination is made thereat.

(g) Indemnitee shall cooperate with the person, persons or entity making such determination with respect to Indemnitee’s entitlement to indemnification, including providing to such person, persons or entity upon reasonable advance request any documentation or information which is not privileged or otherwise protected from disclosure and which is reasonably available to Indemnitee and reasonably necessary to such determination. Any
Independent Counsel, member of the Board or stockholder of the Company shall act reasonably and in good faith in making a determination regarding the Indemnitee’s entitlement to indemnification under this Agreement. Any costs or expenses (including attorneys’ fees and disbursements) incurred by Indemnitee in so cooperating with the person, persons or entity making such determination shall be borne by the Company (irrespective of the determination as to Indemnitee’s entitlement to indemnification) and the Company hereby indemnifies and agrees to hold Indemnitee harmless therefrom.

(h) The Company acknowledges that a settlement or other disposition short of final judgment may be successful if it permits a party to avoid expense, delay, distraction, disruption and uncertainty. In the event that any action, claim or proceeding to which Indemnitee is a party is resolved in any manner other than by adverse judgment against Indemnitee (including, without limitation, settlement of such action, claim or proceeding with or without payment of money or other consideration) it shall be presumed that Indemnitee has been successful on the merits or otherwise in such action, suit or proceeding. Anyone seeking to overcome this presumption shall have the burden of proof and the burden of persuasion by clear and convincing evidence.

(i) The termination of any Proceeding or of any claim, issue or matter therein, by judgment, order, settlement or conviction, or upon a plea of nolo contendere or its equivalent, shall not (except as otherwise expressly provided in this Agreement) of itself adversely affect the right of Indemnitee to indemnification or create a presumption that Indemnitee did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Company or, with respect to any criminal Proceeding, that Indemnitee had reasonable cause to believe that his conduct was unlawful.

7. Remedies of Indemnitee.

(a) In the event that (i) a determination is made pursuant to Section 6 of this Agreement that Indemnitee is not entitled to indemnification under this Agreement, (ii) advancement of Expenses is not timely made pursuant to Section 5 of this Agreement, (iii) no determination of entitlement to indemnification is made pursuant to Section 6(b) of this Agreement within ninety (90) days after receipt by the Company of the request for indemnification, (iv) payment of indemnification is not made pursuant to this Agreement within ten (10) days after receipt by the Company of a written request therefor, or (v) payment of indemnification is not made within ten (10) days after a determination has been made that Indemnitee is entitled to indemnification or such determination is deemed to have been made pursuant to Section 6 of this Agreement, Indemnitee shall be entitled to an adjudication in an appropriate court of the State of Delaware, or in any other court of competent jurisdiction, of Indemnitee’s entitlement to such indemnification. Indemnitee shall commence such proceeding seeking an adjudication within one hundred eighty (180) days following the date on which Indemnitee first has the right to commence such proceeding pursuant to this Section 7(a). The Company shall not oppose Indemnitee’s right to seek any such adjudication.

(b) In the event that a determination shall have been made pursuant to Section 6(b) of this Agreement that Indemnitee is not entitled to indemnification, any judicial proceeding commenced pursuant to this Section 7 shall be conducted in all respects as a de novo trial on the merits, and Indemnitee shall not be prejudiced by reason of the adverse determination under Section 6(b).
(c) If a determination shall have been made pursuant to Section 6(b) of this Agreement that Indemnitee is entitled to indemnification, the Company shall be bound by such determination in any judicial proceeding commenced pursuant to this Section 7, absent (i) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee’s misstatement not materially misleading in connection with the application for indemnification, or (ii) a prohibition of such indemnification under applicable law.

(d) In the event that Indemnitee, pursuant to this Section 7, seeks a judicial adjudication of his rights under, or to recover damages for breach of, this Agreement, or to recover under any directors’ and officers’ liability insurance policies maintained by the Company, the Company shall pay on his behalf, in advance, any and all expenses (of the types described in the definition of Expenses in Section 13 of this Agreement) actually and reasonably incurred by him in such judicial adjudication, regardless of whether Indemnitee ultimately is determined to be entitled to such indemnification, advancement of expenses or insurance recovery.

(e) The Company shall be precluded from asserting in any judicial proceeding commenced pursuant to this Section 7 that the procedures and presumptions of this Agreement are not valid, binding and enforceable and shall stipulate in any such court that the Company is bound by all the provisions of this Agreement. The Company shall indemnify Indemnitee against any and all Expenses and, if requested by Indemnitee, shall (within ten (10) days after receipt by the Company of a written request therefor) advance, to the extent not prohibited by law, such expenses to Indemnitee, which are incurred by Indemnitee in connection with any action brought by Indemnitee for indemnification or advance of Expenses from the Company under this Agreement or under any directors' and officers' liability insurance policies maintained by the Company, regardless of whether Indemnitee ultimately is determined to be entitled to such indemnification, advancement of Expenses or insurance recovery, as the case may be.

(f) Notwithstanding anything in this Agreement to the contrary, no determination as to entitlement to indemnification under this Agreement shall be required to be made prior to the final disposition of the Proceeding.

8. Non-Exclusivity; Survival of Rights; Insurance; Primacy of Indemnification; Subrogation.

(a) The rights of indemnification as provided by this Agreement shall not be deemed exclusive of any other rights to which Indemnitee may at any time be entitled under applicable law, the Certificate of Incorporation, the By-laws, any agreement, a vote of stockholders, a resolution of directors of the Company, or otherwise. No amendment, alteration or repeal of this Agreement or of any provision hereof shall limit or restrict any right of Indemnitee under this Agreement in respect of any action taken or omitted by such Indemnitee in his Corporate Status prior to such amendment, alteration or repeal. To the extent that a change in the DGCL, whether by statute or judicial decision, permits greater indemnification than would be afforded currently under the Certificate of Incorporation, By-laws and this Agreement, it is the intent of the parties hereto that Indemnitee shall enjoy by this Agreement the greater benefits so afforded by such change. No right or remedy herein conferred is intended to be exclusive of any other right or remedy, and every other right and remedy shall be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or
otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other right or remedy.

(b) To the extent that the Company maintains an insurance policy or policies providing liability insurance for directors, officers, employees, or agents or fiduciaries of the Company or of any other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise that such person serves at the request of the Company, Indemnitee shall be covered by such policy or policies in accordance with its or their terms to the maximum extent of the coverage available for any director, officer, employee, agent or fiduciary under such policy or policies. If, at the time of the receipt of a notice of a claim pursuant to the terms hereof, the Company has directors' and officers' liability insurance in effect, the Company shall give prompt notice of the commencement of such proceeding to the insurers in accordance with the procedures set forth in the respective policies. The Company shall thereafter take all necessary or desirable action to cause such insurers to pay, on behalf of the Indemnitee, all amounts payable as a result of such proceeding in accordance with the terms of such policies.

(c) In the event of any payment under this Agreement, the Company shall be subrogated to the extent of such payment to all of the rights of recovery of Indemnitee (other than against the Fund Indemnitors), who shall execute all papers required and take all action necessary to secure such rights, including execution of such documents as are necessary to enable the Company to bring suit to enforce such rights.

(d) The Company shall not be liable under this Agreement to make any payment of amounts otherwise indemnifiable hereunder if and to the extent that Indemnitee has otherwise actually received such payment under any insurance policy, contract, agreement or otherwise.

(e) The Company's obligation to indemnify or advance Expenses hereunder to Indemnitee who is or was serving at the request of the Company as a director, officer, employee or agent of any other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise shall be reduced by any amount Indemnitee has actually received as indemnification or advancement of expenses from such other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise.

9. Exception to Right of Indemnification. Notwithstanding any provision in this Agreement, the Company shall not be obligated under this Agreement to make any indemnity in connection with any claim made against Indemnitee:

(a) for which payment has actually been made to or on behalf of Indemnitee under any insurance policy or other indemnity provision, except with respect to any excess beyond the amount paid under any insurance policy or other indemnity provision, provided, that the foregoing shall not affect the rights of Indemnitee or the Fund Indemnitors set forth in Section 8(c) above; or

(b) for an accounting of profits made from the purchase and sale (or sale and purchase) by Indemnitee of securities of the Company within the meaning of Section 16(b) of the Securities Exchange Act of 1934, as amended, or similar provisions of state statutory law or common law; or
10. Duration of Agreement. All agreements and obligations of the Company contained herein shall continue during the period Indemnitee is an officer or director of the Company (or is or was serving at the request of the Company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise) and for six (6) years thereafter and shall continue thereafter so long as Indemnitee shall be subject to any Proceeding (or any proceeding commenced under Section 7 hereof) by reason of his Corporate Status, whether or not he is acting or serving in any such capacity at the time any liability or expense is incurred for which indemnification can be provided under this Agreement. This Agreement shall be binding upon and inure to the benefit of and be enforceable by the parties hereto and their respective successors (including any direct or indirect successor by purchase, merger, consolidation or otherwise to all or substantially all of the business or assets of the Company), assigns, spouses, heirs, executors and personal and legal representatives.

11. Security. To the extent requested by Indemnitee and approved by the Board, the Company may at any time and from time to time provide security to Indemnitee for the Company’s obligations hereunder through an irrevocable bank line of credit, funded trust or other collateral. Any such security, once provided to Indemnitee, may not be revoked or released without the prior written consent of the Indemnitee.

12. Enforcement.

(a) The Company expressly confirms and agrees that it has entered into this Agreement and assumes the obligations imposed on it hereby in order to induce Indemnitee to serve as an officer or director of the Company, and the Company acknowledges that Indemnitee is relying upon this Agreement in serving as an officer or director of the Company.

(b) This Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and understandings, oral, written and implied, between the parties hereto with respect to the subject matter hereof.

(c) The Company shall not seek from a court, or agree to, a "bar order" which would have the effect of prohibiting or limiting the Indemnitee's rights to receive advancement of expenses under this Agreement.

13. Definitions. For purposes of this Agreement:

(a) "Corporate Status" describes the status of a person who is or was a director, officer, employee, agent or fiduciary of the Company or of any other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise that such person is or was serving at the express written request of the Company.
(b) "Disinterested Director" means a director of the Company who is not and was not a party to the Proceeding in respect of which indemnification is sought by Indemnitee.

(c) "Enterprise" shall mean the Company and any other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise that Indemnitee is or was serving at the express written request of the Company as a director, officer, employee, agent or fiduciary.

(d) "Expenses" shall include all reasonable attorneys’ fees, retainers, court costs, transcript costs, fees of experts, witness fees, travel expenses, duplicating costs, printing and binding costs, telephone charges, postage, delivery service fees and all other disbursements or expenses of the types customarily incurred in connection with prosecuting, defending, preparing to prosecute or defend, investigating, participating, or being or preparing to be a witness in a Proceeding, or responding to, or objecting to, a request to provide discovery in any Proceeding. Expenses also shall include Expenses incurred in connection with any appeal resulting from any Proceeding, including without limitation the premium, security for, and other costs relating to any cost bond, supersedeas bond, or other appeal bond or its equivalent and, for purposes of Section 7(e) only, Expenses incurred by Indemnitee in connection with the interpretation, enforcement or defense of Indemnitee’s rights under this Agreement by litigation or otherwise. Expenses, however, shall not include amounts paid in settlement by Indemnitee or the amount of judgments or fines against Indemnitee.

(e) "Independent Counsel" means a law firm, or a member of a law firm, that is experienced in matters of corporation law and neither presently is, nor in the past five years has been, retained to represent (i) the Company or Indemnitee in any matter material to either such party (other than with respect to matters concerning Indemnitee under this Agreement, or of other indemnitees under similar indemnification agreements), or (ii) any other party to the Proceeding giving rise to a claim for indemnification hereunder. Notwithstanding the foregoing, the term “Independent Counsel” shall not include any person who, under the applicable standards of professional conduct then prevailing, would have a conflict of interest in representing either the Company or Indemnitee in an action to determine Indemnitee’s rights under this Agreement. The Company agrees to pay the reasonable fees of the Independent Counsel referred to above and to fully indemnify such counsel against any and all Expenses, claims, liabilities and damages arising out of or relating to this Agreement or its engagement pursuant hereto.

(f) "Proceeding" includes any threatened, pending or completed action, suit, arbitration, alternate dispute resolution mechanism, investigation, inquiry, administrative hearing or any other actual, threatened or completed proceeding, whether brought by or in the right of the Company or otherwise and whether civil, criminal, administrative or investigative, in which Indemnitee was, is or will be involved as a party or otherwise, by reason of his or her Corporate Status, by reason of any action taken by him or of any inaction on his part while acting in his or her Corporate Status; in each case whether or not he is acting or serving in any such capacity at the time any liability or expense is incurred for which indemnification can be provided under this Agreement; including one pending on or before the date of this Agreement, but excluding one initiated by an Indemnitee pursuant to Section 7 of this Agreement to enforce his rights under this Agreement.
14. **Severability.** The invalidity or unenforceability of any provision hereof shall in no way affect the validity or enforceability of any other provision. Without limiting the generality of the foregoing, this Agreement is intended to confer upon Indemnitee indemnification rights to the fullest extent permitted by applicable laws. In the event any provision hereof conflicts with any applicable law, such provision shall be deemed modified, consistent with the aforementioned intent, to the extent necessary to resolve such conflict.

15. **Modification and Waiver.** No supplement, modification, termination or amendment of this Agreement shall be binding unless executed in writing by both of the parties hereto. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provisions hereof (whether or not similar) nor shall such waiver constitute a continuing waiver.

16. **Notice By Indemnitee.** Indemnitee agrees promptly to notify the Company in writing upon being served with or otherwise receiving any summons, citation, subpoena, complaint, indictment, information or other document relating to any Proceeding or matter which may be subject to indemnification covered hereunder. The failure to so notify the Company shall not relieve the Company of any obligation which it may have to Indemnitee under this Agreement or otherwise unless and only to the extent that such failure or delay materially prejudices the Company.

17. **Notices.** All notices and other communications given or made pursuant to this Agreement shall be in writing and shall be deemed effectively given (a) upon personal delivery to the party to be notified, (b) when sent by confirmed facsimile if sent during normal business hours of the recipient, and if not so confirmed, then on the next business day, (c) five (5) days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (d) one (1) day after deposit with a nationally recognized overnight courier, specifying next day delivery, with written verification of receipt. All communications shall be sent:

18. **Counterparts.** This Agreement may be executed in two (2) or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same the same instrument. Counterparts may be delivered via facsimile, electronic mail (including pdf or any electronic signature complying with the U.S. federal ESIGN Act of 2000, e.g., www.docusign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.
19. **Headings.** The headings of the paragraphs of this Agreement are inserted for convenience only and shall not be deemed to constitute part of this Agreement or to affect the construction thereof.

20. **Governing Law and Consent to Jurisdiction.** This Agreement and the legal relations among the parties shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware, without regard to its conflict of laws rules. The Company and Indemnitee hereby irrevocably and unconditionally (i) agree that any action or proceeding arising out of or in connection with this Agreement shall be brought only in the Chancery Court of the State of Delaware (the “Delaware Court”), and not in any other state or federal court in the United States of America or any court in any other country, (ii) consent to submit to the exclusive jurisdiction of the Delaware Court for purposes of any action or proceeding arising out of or in connection with this Agreement, (iii) waive any objection to the laying of venue of any such action or proceeding in the Delaware Court, and (iv) waive, and agree not to plead or to make, any claim that any such action or proceeding brought in the Delaware Court has been brought in an improper or inconvenient forum.
